Nursery Nurse – NVQ Level 3 or equivalent

Safeguarding

Moor Park is committed to safeguarding and promoting the welfare of children and expects all staff and volunteers to share this commitment. The successful candidate will be subject to an Enhanced DBS and other appropriate checks. Moor Park School is an equal opportunities employer.

Background

Moor Park is an IAPS, co-educational, boarding and day school of Catholic foundation accepting pupils from 3 months to 13 years of age. Children from 3 months to rising three are catered for in our Tick Tock nursery/childcare setting which runs for 50 weeks in the year. Thereafter, children enter Pre-prep until the end of Year 2. The Prep School completes a Moor Park education before the children leave to the full range of senior schools both locally and nationally. Being a boarding school for the 8- to 13-year-olds, the school operates on a 24/7 basis during term-time.

The school is built around a magnificent 18th century country mansion in approximately 85 acres of stunning grounds which include playing fields, woodland and a lake. It is situated just outside the market town of Ludlow in the beautiful Shropshire countryside.

Moor Park is renowned for its happiness, atmosphere and pastoral care. Relations between pupils and staff are relatively informal, but mutually respectful; children are encouraged to voice their views and opinions. Recent years have seen more than average numbers of leavers gaining scholarships to a variety of senior schools. The diversity of awards gained, which include academic, music, sport, art and all-round, testifies to the breadth of education on offer. Emphasis is on the individual, finding and encouraging aptitude and talent.
