White Settlement Independent School District  
401 S Cherry Lane, White Settlement, TX 76108**

White Settlement independent School District is soliciting proposals from banks to serve as a depository to assist with the banking functions for funds of the district.

## **Introduction**

In accordance with the Texas Education Code (TEC), Chapter 45, Subchapter G, School District Depositories, the Board of Trustees of the district will select a depository through soliciting proposals for a depository services contract for a term of two years beginning September 1, 2017 and ending August 31, 2019 or until a successor depository is selected, qualified, and agrees to a depository agreement based on either fees or compensating balances.

The district and the depository may agree to extend this contract for two additional two-year terms in accordance with the TEC, §45.205. This section requires that the contract and any extension of this contract coincide with the district's fiscal year. If the district changes its fiscal year, the term of the contract may be shortened or extended no more than one year by mutual agreement to coincide, provided that this contract remains in effect until its successor is selected and has been qualified. If the parties cannot agree, the district has the option to change the term of this contract.

The legal provisions providing for naming a depository of the district are set forth in the TEC, Subchapter G, School District Depositories, §§45.201 through 45.209. Investments by the district are governed by the Texas Government Code (TGC), Chapter 2256, Public Funds Investment. Securities pledged as collateral to secure district deposits are governed by the TGC, Chapter 2257, Collateral for Public Funds.
