White Settlement ISD Earns State's Highest Fiscal Accountability Rating

October 20, 2020

White Settlement Independent School District officials announced that the district received a rating of “A” for “Superior Achievement” under Texas’ School FIRST financial accountability rating system. The “Superior Achievement” rating is the state’s highest, demonstrating the quality of White Settlement ISD’s financial management and reporting system.

This is the 18th year of Schools FIRST (Financial Accountability Rating System of Texas), a financial accountability system of Texas school districts developed by the Texas Education Agency in response to Senate Bill 875 of the 76th Texas Legislature in 1999 and amendments under House Bill 5, 83rd Texas Legislature, Regular Session, 2013. The primary goal of Schools FIRST is to achieve quality performance in the management of school district’s financial resources, a goal made more significant due to the complexity of accounting associated with Texas’ school finance system

“We are very pleased with White Settlement ISD’s Schools FIRST rating,” said White Settlement ISD Superintendent Frank Molinar. This rating shows that White Settlement’s schools are accountable not only for student learning, but also for achieving these results cost-effectively and efficiently.”

The Texas Education Agency assigned one of four financial accountability ratings to Texas school districts, with the highest being “A” for “Superior Achievement” followed by “B” for “Above-Standard Achievement”, “C” for “Standard Achievement” and “F” for “Substandard Achievement” White Settlement ISD has achieved the highest rating for eighteen (18) years.

The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a Superintendent by the State of Texas and issued by the Texas Education Agency and all other certificates required by law. The District shall reimburse the Superintendent in accordance with District policy for out of District travel incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract.

3.4 Insurance. The Superintendent, if eligible and insurable, shall be provided the same health insurance coverage that is provided to all other certified employees in the District.

3.5 Vacation. The Superintendent may take, at his choice, the greater of ten (10) days of vacation annually or the same number of days of vacation authorized by Board Policy for administrative employees on twelve-month contracts, the days to be taken in a single period or at different times. The vacation days taken by the Superintendent will be taken at such a time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. Accrued but unused vacation days, up to a maximum of five (5) days annually, shall accumulate and carry forward from year to year during the term of this Contract. The Superintendent may observe the same legal holidays and is hereby granted the same personal leave benefits as authorized by Board policies for administrative employees on twelve-month contracts, and shall be entitled to vacations in accordance with Policy DED (Local), to be used within the Superintendent's discretion as long as such use does not interfere with the carrying out of his duties and obligations as Superintendent of the District, and such local leave shall be cumulative from year to year in accordance with local Board policy.

3.6 Residency Requirement. As a condition of this Contract the Superintendent has established and will maintain his permanent residency within the District.

The Superintendent shall submit to the Board for its approval a plan to implement the goals. The goals approved by the Board shall at all times be in writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The Board agrees to work with and

4.3 Confidentiality. The evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective counsel.

In the event that the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evidence. The response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. In the event the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, the Superintendent shall be provided a reasonable period of time to demonstrate such expected performance before being evaluated.
