Narrative: Summarize in the space provided your entity's recent efforts to increase transparency in the area of Traditional Finances. Be sure to:

- a) provide explanations for any terminology that appears in the summary,
- b) describe any benchmarks, standards or best practices your entity uses to gauge its progress in this area, and
- c) detail any historical analysis used to track its efforts to improve transparency in this area.

a. The district gages its progress in transparency by continuing to increase the amount and quality of data on the districts website and in the local newspapers. The district goal is to be transparent in all areas.

b. The district issued a Annual Comprehensive Financial Report for the last three years. This report provides additional detailed information to taxpayers and other stakeholders. It is posted on the districts website. The District received an award from the Governmental Finance Officers Association and the Association of School Business Officials International for the 2020-2021 and the 2021-2022 report.

c. The District compiled an Official Budget Report for the first time for fiscal year- end 6/30/21. The District received an award for the Budget Book from the Association of School Business Officials International. The District has submitted the Budget Book for FYE 6/30/22 for award consideration.

d. The district website includes various historical analysis, such as ten year history of revenue and expenditures, a ten year history of tax rates, and multiple years of adopted budgets and annual financial reports. We have expanded the districts financial transparency website and will continue to add information to achieve the goal of total transparency.

Note: To complete your application, see the specific criteria page for the Traditional Finances Transparency Star which details visualizations, documents, downloadable data and other required information.
