

Compliance with the Telephone Consumer Protection Act (TCPA) – Use of Automated Telephone Notifications

Under a federal consumer protection law, schools need parent/guardian permission to receive automated or prerecorded calls to a cell number. At the beginning of the year, you provided contact information, including the number to which these automated calls should be directed, that the District will use to keep you informed. Should you choose to revoke consent to receive automated calls/texts on your cell phone, you may do so by notifying the District of your revocation. Please contact the Registrar at your child's school for that purpose. If you revoke consent for automated and prerecorded calls to your cell number, you may not receive time-sensitive information / emergency.

The District requires that you provide notice of any changes in contact information (physical address and telephone numbers) to the District within ten days. This includes any change in the cell number you provided to the District. Correct contact information is needed so that the District may provide you with information regarding school operations and any specific concerns related to your student. Should you fail to provide the District updated contact information, including notification that a cell phone number you have given the District has been disconnected or reassigned, please be aware that the District disclaims liability for any alleged damages resulting from your failure to do so.
