

Public Notice - Section 504

Under Section 504, the District, as a recipient of federal financial assistance from the United States Department of Education and as an operator of a public elementary or secondary education program and/or activity, is required to undertake to identify and locate every qualified person residing in the District who is not receiving a public education; and take appropriate steps to notify disabled personal and their parents or guardians of the District's duty.

The District assures that it will, pursuant to Section 504, provide a free appropriate public education to each qualified disabled person in the District's jurisdiction regardless of the nature or severity of the person's disability. For purposes of Section 504, the provision of an appropriate education is the provision of regular or special and related aids and services that are (i) designed to meet individual educational needs of disabled persons as adequately as the needs of non-disabled persons are met and (ii) based on adherence to procedures which satisfy the requirements of Section 504 federal regulations.

This notice will be provided in native languages as appropriate.
