

Bid: 9-Passenger Mini-Van

Due: November 10, 2023 – 9AM

Specific Directions to Bidders

The Lycoming Career and Technology Center (LycoCTC) is seeking bids on the purchase of an in-stock 2023 or in-stock 2022 nine passenger school student van. Bids on an alternate in-stock 2021 model will be considered provided equipment specifications are closely met. We seek immediate possession of a suitable in-stock 2022 or 2023 vehicle.

General

These Specifications shall be construed as the minimum acceptable standards for a new 2022/2023 nine passenger wagon. Should the manufacturer's current published data or specifications exceed these standards, the manufacturer's standards shall be considered minimum and shall be furnished. All integral parts not specifically mentioned in the scope of these specifications that are necessary to provide a complete working unit shall be furnished.

The use of specific names or numbers in the specifications is not intended to restrict the bidder or any seller or manufacturer, but is intended solely for the purpose of indicating the type, size, and quality of equipment considered best adapted for the use of the school District.

Instructions to Bidders

Prospective bidders are to use the attached Bid Submittal Form to quote specifications and prices. Bids should be mailed or hand-delivered to:

Lycoming Career and Technology Center
Attn: Nathan Minium, Executive Director
293 Cemetery Street
Hughesville, PA 17737

Bids must be received no later than Friday, November 10, 2023 at 9 A.M. Bids received after that time and date will not be honored. Bid opening will take place at 9:00 A.M. am on Friday, November 10, 2023 and is open to the public.

Warranties

All written warranties to be submitted shall be attached to the Bid Submittal Form.

Bid Price

The price bid shall include all destination charges, delivery charges, title fees, rebates, and all other applicable costs and refunds. LycoCTC is exempt from any and all state and federal taxes.

The bidder agrees, if awarded the bid, to furnish and deliver the specified equipment as such times, at such places, and in such quantities as herein specified, and that all of the products shall be subject to inspection and approval. In the event that any of the said products shall be rejected as unsuitable or not in conformity with these specifications, such products of proper quality as set forth in these specifications shall be furnished in place thereof at the expense of the supplier.

Delivery

Delivery of equipment is expected within 60 days of award. If bidder cannot deliver within this time period it must be stated on the signed Bid Submittal form.
