

# Technical Theatre Portfolio

---

# Painting of the multiple set pieces in “Band Geeks”

Painting the set pieces (the bus, classroom, and bedroom) and promotional material (shown above) was what I contributed towards the production of the 2019 MHS play “Band Geeks.”

# Mr. Lawrence's costumes for “Little Women”

I made the decision to give Mr. Lawrence multiple costumes in order to add on to his character of a man in the upper class.

# Microphones for "PUFFS"

I helped ensure that the microphones  
were working during the production.

# Eagle Scout Project

Designed and led the building of an outdoor classroom at JC Parks Elementary
