CTE Technical Endorsements

Longwood High School is pleased to offer students the opportunity to receive a CTE Endorsement in either Business Management and Entrepreneurship or Restaurant, Culinary, Catering Management. Successfully completing this program will result in students earning the CTE endorsement on their high school diploma. This endorsement signifies that students are equipped with the necessary workplace skills to succeed in entry-level employment. Moreover, it shows post-secondary institutions that a student is committed to pursuing a related career pathway. To receive the CTE designation on their high school diploma, students must fulfill the following requirements:
