Cyberbullying is sometimes referred to as Internet bullying or electronic bullying. It is an act of bullying committed through the transmission of a message, text, sound, or image by means of an electronic device, including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer, pager, or through digital technologies, including, but not limited to, email, blogs, texting, social websites (e.g. Facebook, MySpace, Twitter, etc.), chat rooms, “sexting”, instant messaging, or video voyeurism. Expectations of Conduct

The Governing Board expects students and employees to exhibit appropriate conduct that does not infringe upon the rights of others or interfere with the school program while on school grounds or SCCOE property, while going to or coming from school or work, while at school activities, and while on public transportation.

The SCCOE prohibits the bullying of any student or school employee:

1. During any educational program or activity conducted by the SCCOE;
2. During any SCCOE-related or SCCOE-sponsored program or activity or on a SCCOE school bus;
3. Through the use of any electronic device or data while on SCCOE school grounds or on a SCCOE school bus, computer software that is accessed through a computer, computer system, or computer network of the SCCOE. The physical location or time of access of a computer-related incident cannot be raised as a defense in any disciplinary action initiated under this section;
4. Through threats using the above to be carried out on SCCOE grounds. This includes threats made outside of school hours, which are intended to be carried out during any school-related or school-sponsored program or activity or on a SCCOE school bus.
5. While the SCCOE does not assume any liability for incidences that occur at a bus stop or en route to and from school, a student or witness may file a complaint following the same procedures for bullying against a student and the SCCOE will investigate and/or provide assistance and intervention as the principal/designee deems appropriate.
6. Though an incident of alleged bullying as defined within this policy may occur off campus and may not entail threats of acts to occur during school hours, if a student’s ability to receive an education or a school’s ability to provide an education is significantly impaired, as determined by the school administrators, disciplinary sanctions may be issued.

(cf. 5131.1 – Bus Conduct)

Employees are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or receive a report of a violation of these standards, to immediately intervene or call for assistance. If an employee believes a matter has not been resolved, he/she shall refer the matter to his/her supervisor or administrator for further investigation.

Any student who engages in bullying as described within this policy while on school premises, or off campus in a manner that causes or is likely to cause a substantial disruption of a school activity or school attendance, shall be subject to discipline in accordance with SCCOE policies and regulations. If the student is using a social networking site or service that has terms of use that prohibit posting of harmful material, the County Superintendent or designee also may file a complaint with the Internet site or service to have the material removed.

Discipline

Students who violate SCCOE or school rules and regulations may be subject to discipline including, but not limited to, suspension, expulsion, transfer to alternative programs, or denial of the privilege of participation in extracurricular or co-curricular activities in accordance with Board policy and administrative regulation. ANTI-BULLYING POLICY (continued)

Reporting

The Santa Clara County Superintendent of Schools or designee shall establish and publicize to students, staff, volunteers, and parents how to report bullying and actions that may be taken.

The process for receiving and investigating instances of bullying of any kind, as defined within this policy, includes complaints of discrimination, harassment, intimidation, and bullying based on actual or perceived characteristics.

School and COE personnel who witness such acts of bullying as defined within this policy shall take immediate steps to intervene when safe to do so. Complaints of bullying shall be investigated and resolved in accordance with site-level grievance procedures specified in AR 5145.7 - Sexual Harassment.

1. At each school or SCCOE location, the principal/designee is responsible for receiving oral or written complaints alleging violations of this policy, as well as any infractions of the Student Conduct policy.

2. Students may report complaints of bullying to any school or SCCOE employee. Any such reports of bullying allegations must be made, in writing, to the principal/designee or other appropriate administrator/designee.

3. Any member of the school community who may have credible information about an act of bullying that may have taken place may file a report of bullying either as a witness or a victim.

4. Any student (or a parent or guardian on behalf of the complainant who is a minor) who believes he/she is a victim of bullying, has witnessed an act of bullying, or has knowledge of any incidents involving acts of bullying are strongly encouraged to report the incidents to a school official.

Submission of a good faith complaint or report of bullying will not affect the complainant or reporter’s future employment, grades, learning or working environment, or work assignments within the SCCOE.

6. Administrators/principal/designee(s) shall document in writing all complaints regarding bullying to ensure that incidents of bullying, or any other infractions, are appropriately addressed in a timely manner, whether the original report of bullying is made verbally or in writing.
7. Anonymous reports of bullying may be made to the appropriate school official. School officials should develop and publicize a system in which students, employees, volunteers, parents/guardians can make an anonymous report of bullying.

Investigation of Complaints

The investigation of a reported act of bullying of a student, school-based employee, parent/guardian or other persons providing service to the school is deemed to be a school related activity and begins with a report of such an act.

The principal/designee and/or Investigative Designee shall document all complaints in writing and/or through the appropriate data system to ensure that problems are addressed in a timely manner. This process is to be followed with all anonymous complaints as well. Although this Policy encourages students to use the formal written complaint process, school officials "should investigate all complaints and reports of harassment, whether or not the complaint is in writing," as stated by the Office for Civil Rights in Protecting Students from Harassment and Hate Crime: A Guide for Schools, Part II (1999).

If the complaint is about the principal or a staff member’s direct supervisor, then the Superintendent/Designee or appropriate administrator shall be asked to address the complaint.

The trained Investigative Designee(s) will make the determination if a reported act of bullying or harassment falls within the scope of SCCOE policies and regulations.

A. If it is within the scope of SCCOE policies and regulations, move to Procedures for Investigating Bullying and/or Harassment as outlined below.
B. If it is outside the scope and determined an alleged criminal act, refer to appropriate law enforcement, provide any applicable interventions, and document according to Policy.
C. If it is outside the scope and determined not a criminal act, inform parents/guardians of all students involved, provide appropriate interventions and document according to Policy.

Internal Investigation:

A. The procedures for investigating school-based bullying must include the principal/designee and/or the Investigative Designee, in the case of student-to-student bullying. The principal, Investigative Designee and Prevention Liaison shall be trained in investigative procedures and interventions as outlined in this Policy. For incidents at the area or for school-based adult-on-adult bullying, the appropriate administrator will be responsible for the investigation as outlined in this policy and will run concurrently and in addition, to all agreed upon procedures for staff discipline

B. The investigator may not be the accused or the alleged victim.
C. The principal/designee or appropriate administrator shall begin a thorough investigation with the alleged victim and accused within two (2) school days of receiving a notification of complaint. The school administrators/designees will provide immediate notification to the parents of both the victim and the alleged perpetrator of an act of bullying or harassment.

D. During the investigation, the principal/designee or appropriate administrator may take any action necessary to protect the complainant, alleged victim, other students or employees consistent with the requirements of applicable regulations and statutes.

   1. Documented interviews of the alleged victim, alleged perpetrator, and witnesses are conducted privately, separately, and are confidential. Each individual (victim, alleged perpetrator, and witnesses) will be interviewed separately and at no time will the alleged perpetrator and victim be interviewed together.

   2. At no time during the investigation will the name of the complainant be revealed by the investigator.

   3. In general, student complainants and/or alleged victims will continue attendance at the same school and pursue their studies as directed while the investigation is conducted and the complaint is pending resolution. Any legal order of a court will prevail.

   4. When necessary to carry out the investigation or for other good reasons, and consistent with federal and state privacy laws, the principal/designee or appropriate administrator also may discuss the complaint with any school district employee, the parent of the alleged victim, the parent of the complainant or accused, if one or both is a minor (or has given consent or is an adult who has been determined to be incompetent or unable to give informed consent due to disability), and/or child protective agencies responsible for investigating child abuse.

   5. During the investigation where an employee is the accused, the principal/designee or the appropriate administrator may recommend to the Chief Student Officer and/or Executive Director of Human Resources/designee, any action necessary to protect the complainant, the alleged victim, or other students or employees, consistent with the requirements of applicable statutes, Board of Education Policies, and collective bargaining agreements.

E. Within ten (10) school days of the notification as to the filing of the complaint, there shall be a written decision by the Principal/Designee or appropriate administrator regarding the completion and determination of the investigation. The principal/designee shall make a decision about the validity of the allegations in the complaint and about any corrective action, if applicable, consistent with the School Program Discipline Plan.

F. The Principal/Designee or appropriate administrator will inform all relevant parties in writing of the decision and the right to appeal. A copy of the decision will be sent to the originating school and be noted in all relevant data tracking systems.

G. If the accused is an employee, discipline may be taken, consistent with any applicable collective bargaining agreement provisions, to resolve a complaint of bullying. The supervisor/designee of
ANTIBULLYING POLICY (continued)

the employee shall discuss the determination and any recommended corrective action with the appropriate supervisor and the Executive Director of Human Resources or designee.

H. No retaliation of any kind is permitted in connection with an individual's having made a bullying complaint and if it occurs, it shall be deemed an additional act of bullying as stated herein this Policy.

Informal Resolution

The administrator, along with the alleged victim and the accused/student, may agree to informally resolve the complaint. Documented interviews of the victim, alleged perpetrator, and witnesses are conducted privately and are confidential. Each individual (victim, alleged perpetrator and witnesses) will be interviewed separately, and at no time will the alleged perpetrator and victim be interviewed together. Each party’s agreement to Informal Resolution must be in writing.

Formal Resolution

The alleged victim/complainant/student/employee or parent(s), on behalf of the student, may file a written complaint with the principal/designee or appropriate administrator.

Based on the level of infraction, parents will be promptly notified of any actions being taken to protect the victim via written notice, telephone or personal conference; the frequency of notification will depend on the seriousness of the bullying incident.

The resolution, all interviews and interventions that take place and the corresponding dates shall be documented in writing and/or noted in a specified data system.

External Investigation

If the act is outside the scope of the SCCOE, and determined a criminal act, referral to appropriate law enforcement shall be made immediately, the parent will be notified, and the referral documented by the principal/designee in the specified format.

While SCCOE does not assume any liability for incidences that must be referred for external investigation, it encourages the provision of assistance and intervention as the principal/designee deems appropriate, including the use of the School Resource Officer and other personnel. The principal/designee shall log all reports and interventions.

Prevention

The SCCOE shall provide students with instruction, in the classroom or other educational settings, that promotes communication, social skills, and assertiveness skills and educates students about appropriate online behavior and strategies to prevent and respond to bullying as defined in this policy.
