Mr. Leone and Mr. Tracy led a discussion on E&D and recommendations on how to allocate the money. They also provided an update of SOI/MSBA and there was a discussion around federal and state COVID funds. The subcommittee decided to take into account the recommendations and present them to the full School Committee when presenting the budget.

Mr. Tracy gave an update on the Master Planning PRocess and the HWRSD will be incorporating larger structural problems into this process.
