COVID STATEMENT

For the 2020-21 school year, we moved to a synchronous, hybrid model in which students were in-person twice a week and engaged in distance learning the other two days with Monday being an asynchronous learning day for all. At the end of April when they were given the option to return 5 days a week or remain as full distance learners. Pass/Fail was not an option unless it was typically used in a particular class. Since the 2021-22 school year, we have been fully in person with no option for distance learning.
