PROCEDURES RE: STUDENTS RECEIVING PROPER MEDICATION AT SCHOOL

The following forms marked with an "A" in upper right corner are to be completed and returned to the school nurse if a student is to self-administer medications. The first form is completed by the child's physician and the second by the parent/guardian. The forms marked with a "B" in the upper right corner are to be completed by parent/guardian and the child's physician if our nurse is to administer medication to the child.

After the forms are completed, return to school nurse with the medication.

A- PARENT/GUARDIAN

WATERFORD TOWNSHIP PUBLIC SCHOOLS
PARENT/GUARDIAN AUTHORIZATION FOR SELF-ADMINISTRATION OF MEDICATION BY CHILD

To be completed by parent/guardian

I, _______________, authorize the Waterford Township School District to permit my child, ____________________, who attends ___________________school, to self-administer medication which has been prescribed by my child's physician, ___________________. I attest that the need for my child's self-administration of medication is due to a potentially life-threatening illness. I further attest that my child has been instructed in the proper method[s] of self-administration of medication and is capable of safely conducting self-medication.

I understand and fully agree that the Waterford Township School District and its employees or agents shall incur no liability as a result of any injury arising from the self-administration.

I further agree that the authorizations and acknowledgments made herein are effective for a full school year beginning September 1 through June 30, and said authorization shall also include the months of July and August following the school year if my child attends a district summer school. I also understand and agree that permission must be authorized each and every succeeding year through the completion of a new authorization form including a renewed physician's acknowledgement.
