

**Regulation #5020.1
Nondiscrimination**

**ADMINISTRATIVE REGULATIONS REGARDING DISCRIMINATION COMPLAINTS
(STUDENTS)**

The Madison Board of Education (the “Board”) complies with all laws prohibiting the exclusion of any person from any of its educational programs or activities, or the denial to any person of the benefits of any of its educational programs or activities on the basis of any protected characteristic (or protected class) including race, color, religion, age, sex, sexual orientation, marital status, national origin, alienage, ancestry, disability, pregnancy, gender identity or expression, veteran status, status as a victim of domestic violence or any other basis prohibited by state or federal law (“Protected Class”), subject to the conditions and limitations established by law. When the Board has created a limited public forum, the Board shall provide equal access to the Boy Scouts and other groups as required by law.

It is the policy of the Board that any form of discrimination or harassment on the basis of an individual’s actual or perceived membership in a Protected Class, whether by students, Board employees, Board members or third parties subject to the control of the Board is prohibited. The Board’s prohibition of discrimination or harassment in its educational programs or activities expressly extends to academic, nonacademic and extracurricular activities, including athletics.

The Board prohibits reprisal or retaliation against any individual who reports incidents in good faith that may be a violation of this policy, or who participates in the investigation of such reports.

The District will not tolerate any reprisals or retaliation that occur as a result of the good faith reporting of charges of Protected Class discrimination or harassment. Any such reprisals or retaliation may result in disciplinary action against the retaliator, and other corrective actions as appropriate.

Discrimination and/or harassment against any individual on the basis of that individual’s association with someone in a Protected Class may also be considered a form of Protected Class discrimination and/or harassment.

Students, Board employees, Board members and community members (e.g., other individuals affiliated with the District, accessing or seeking access to District facilities) are expected to adhere to a standard of conduct that is respectful of the rights of all members of the school community.

Although not an exhaustive list, the following are examples of the type of conduct that may be considered Protected Class harassment and can lead to a hostile environment, and are therefore prohibited:

- objectively offensive racial, ethnic, or religious epithets (or epithets commonly associated with any Protected Class membership, including but not limited to epithets relating to sex, sexual orientation, and/or gender identity or expression);
- other words or phrases commonly considered demeaning or degrading on the basis of Protected Class membership;

- display of images or symbols commonly associated with discrimination against individuals on the basis of their membership in a Protected Class;
- graphic, written or electronic communications that are harmful, or humiliating based on Protected Class membership; or
- physical, written, electronic or verbal threats based on Protected Class membership.

Harassment does not have to involve intent to harm, be directed toward a specific person, or involve repeated incidents.

Reporting to District Officials:

It is the policy of the Board to provide for the prompt and equitable resolution of complaints alleging Protected Class discrimination or harassment. The District will investigate both formal and informal complaints of discrimination, harassment, or retaliation.

Any student, staff member and/or parent/guardian who believes a student has experienced Protected Class discrimination or harassment or an act of retaliation or reprisal in violation of Board policy should report such concern in writing in accordance with the Board's complaint procedures included in these Administrative Regulations Regarding Non-Discrimination/Students. If a complaint involves allegations of discrimination or harassment based on sex, gender identity or expression, sexual orientation, pregnancy, such complaints will be handled in accordance with the procedures set forth in Board Policy #5120.5 Prohibition of Sex Discrimination, Including Sex-based Harassment. Complaints involving allegations of discrimination or harassment based on disability will be addressed in accordance with the procedures set forth in Board Policy # 5200, Section 504/ADA (Students). In the event reported conducted allegedly violates more than one policy, the Board will coordinate any investigation in compliance with the applicable policies.

Students are encouraged to immediately report any concerns about Protected Class discrimination, harassment, or retaliation.

Mandatory Staff Reporting for Student Incidents:

Board employees are required to report incidents of alleged student-to-student and employee-to-student discrimination, harassment or retaliation that may be based on a Protected Class when Board employees witness such incidents or when Board employees receive reports or information about such incidents, whether such incidents are verbal or physical or amount to discrimination, harassment or retaliation in other forms. Reports should be made to any District administrator.

Complaint Procedure

Preferably, complaints should be filed within thirty (30) days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints. The District will investigate such complaints promptly and equitably, and will take corrective action when allegations are verified.

As soon as a student feels that they or another student has been subject to Protected Class discrimination or harassment, the individual should make a written complaint to the Superintendent or Superintendent's designee or to the building principal, or principal's designee. Students may make verbal or written reports

about Protected Class discrimination, harassment, or retaliation to any Board employee. Board employees receiving such reports shall promptly forward them to any District administrator

The student and/or parent/guardian will be provided a copy of the Board's policy and regulation and made aware of the student's rights under this policy and regulation. In the event the principal or designee receives a complaint alleging discrimination or harassment based on sex, gender identity or expression, sexual orientation, or pregnancy, the principal or designee shall follow the procedures identified in Policy 5120.5, Prohibition of Sex Discrimination, Including Sex-based Harassment (Students). If the complaint alleging discrimination or harassment is based on disability, the Superintendent or designee shall follow the procedures identified in Board Policy #5200, Section 504/ADA (Students).

The complaint should state the:

- A. Name of the complainant/victim,
- B. Date of the complaint,
- C. Date(s) of the alleged harassment/discrimination,
- D. Name(s) of the harasser(s) or discriminator(s),
- E. Location where such harassment/discrimination occurred,
- F. Names of any witness(es) to the harassment/discrimination,
- G. Detailed statement of the circumstances constituting the alleged harassment/discrimination; and
- H. Proposed remedy.

Any student and/or parent/guardian who makes an oral complaint of harassment or discrimination to any of the above-mentioned personnel will be provided a copy of this regulation and will be requested to make a written complaint pursuant to the above procedure. If a student (or individual acting on behalf of the student) is unable to make a written complaint, the administrator receiving the oral complaint will either reduce the complaint to writing, assist the student (individual acting on behalf of the student) in completing the written complaint form or ask a District administrator for assistance in doing so.

All complaints are to be forwarded immediately to the Superintendent or designee. Upon receipt of a complaint alleging harassment or discrimination under this complaint procedure, the Superintendent shall designate a District administrator (or other trained individual) to promptly investigate the complaint. During the course of the investigation, the investigator shall interview or consult with all individuals reasonably believed to have relevant information, including the individual alleged to have experienced Protected Class discrimination and/or harassment (the "complainant"), the alleged harasser/discriminator ("respondent") and any witnesses to the conduct. Complaints will be investigated promptly within the time frames identified below. Time frames may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and/or other extenuating circumstances.

Confidentiality will be maintained by all persons involved in the investigation to the extent possible to the extent consistent with principals of due process, as determined by the investigator.

Upon receipt of a written complaint of discrimination or harassment, the investigator should:

1. Offer to meet with the complainant (and respondent, if applicable) within ten (10) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) to discuss the nature of the complaint, discuss the availability of interim measures, identify individuals the complainant or respondent believes has relevant information, and obtain any relevant documents the complainant or respondent may have;
2. Provide the complainant (and respondent, if applicable) with a copy of the Board's non-discrimination policy and accompanying regulations;
3. Conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable conducting interviews with the parties to the complaint and any relevant witnesses or other individuals deemed relevant to the complaint;
4. Review any records, notes, statements, or other documents relevant to the complaint;
5. Maintain confidentiality to the extent practicable throughout the investigative process, in accordance with state and federal law;
6. Complete a final investigation report that includes: (i) a findings of fact based on the evidence gathered; (ii) for each allegation, the conclusion(s) and reasoning(s) as to whether the discrimination or harassment occurred; and (iii) for any individual(s) found to have engaged in discrimination or harassment, a broad statement of consequences imposed (to the extent permitted by state and federal confidentiality requirements) (i.e. "Consequences were imposed.").
7. Communicate the outcome of the investigation in writing to the complainant (and respondent, if applicable) (to the extent permitted by state and federal confidentiality requirements), within thirty (30) business days (provided that such time frame may be reasonably extended based on the availability of necessary witnesses and/or participants, the complexity of the investigation, and/or other extenuating circumstances) from the date the complaint was received by the Superintendent's office. The complainant (and respondent, if applicable) shall be notified of any extension of the investigation timeline. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination or harassment, adhering to the requirements of state and federal law;
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of employees and/or other individuals who may have information relevant to the complaint. If fixed time frames cannot be met, the complainant (and

respondent, if applicable) will receive notice and interim measures may be implemented as necessary;

9. Whenever allegations are verified, ensure that appropriate corrective action is taken (including, but not limited to, disciplinary action) aimed at preventing the recurrence of the discrimination or harassment. Corrective action should include steps designed to avoid continuing discrimination or harassment;
10. After receiving the written notice of the outcome, parties shall have ten (10) school days to submit a formal written statement of appeal, if they so choose, to the Superintendent challenging the outcome of the investigation and explaining the basis for appeal. Upon receipt of an appeal, the Superintendent shall appoint a decisionmaker(s) for the appeal, who may be the Superintendent or designee. The decisionmaker(s) for the appeal will provide the appealing party's written statement to the non-appealing party. The non-appealing party will then have ten (10) school days to submit to the decision-maker(s) for the appeal a written statement in support of, or challenging, the outcome of the investigation. The decisionmaker(s) for the appeal shall review the evidence and the information presented by the parties and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator(s) and the parties, a meeting with appropriate individuals to attempt to resolve the complaint, or a decision affirming or overruling the written outcome. Generally, a party's disagreement with the outcome of the investigation, alone, will not be basis for further action. The decisionmaker(s) for the appeal will attempt to issue written notice of the outcome of the appeal to the parties within thirty (30) school days of receipt of all written statements from the parties.

If the District makes a finding of discrimination, harassment or retaliation, the District will take appropriate remedial action designed to 1) eliminate the discriminatory/harassing conduct, 2) prevent its recurrence, and 3) address its effects on the complainant and any other affected individuals. Examples of appropriate action may include:

- A. In the case of a student respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, discipline (including but not limited to suspension and/or expulsion), educational interventions, exclusion from extra-curricular activities and/or sports programs, and/or referral to appropriate state or local agencies;
- B. In the case of an employee respondent, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, supervisor notification, discipline (including possible termination of employment), training, and/or referral to appropriate state or local agencies;
- C. In the case of respondent who is otherwise associated with the school community, interventions for the individual who engaged in the discrimination/harassment may include, but are not limited to, exclusion from school property and/or activities and/or referral to appropriate state or local agencies;
- D. Follow-up inquiries with the complainant and witnesses to ensure that the discriminatory/harassing conduct has stopped and that they have not experienced any retaliation;
- E. Training or other interventions for the larger school community to ensure that students, staff, and parents understand the types of behavior that constitute discrimination/harassment, that the District does not tolerate it, and how to report it.

District staff members and administrators will work with students and parents/guardians to take steps designed to prevent acts of discrimination, harassment and retaliation.

The District will periodically provide staff development for District administrators and periodically distribute the Board's Non-Discrimination policies and the implementing administrative regulations to staff, students and parents in an effort to maintain an environment free of discrimination, harassment and retaliation.
