PREAMBLE

The purpose of this Agreement is to promote harmonious and cooperative relationships between management and licensed personnel as provided by the New Mexico Public Employee Bargaining Act and the Los Lunas Schools Labor Management Relations Policy and to continue to protect the integrity and delivery of quality service to the community.

This Agreement is made and entered into this day of April 26th, 2023, by and between the Los Lunas Schools (hereinafter referred to as the "District") and the NEA-Los Lunas (hereinafter referred to as NEA-LL).

ARTICLE ONE RECOGNITION

Pursuant to the New Mexico Public Employee Bargaining Act and the Los Lunas School District Labor-Management Relations Policy, the Los Lunas School District recognizes the NEA-LL as the exclusive representative of an Education Support Professional (ESP) unit consisting of all classified personnel by the Los Lunas School District, **except** those who spend the majority of their time in confidential positions, those who are employed on a casual or substitute basis, or those who are classified as financial specialists.

ARTICLE TWO BARGAINING PROCEDURE

- A. Negotiations for a successor agreement may be initiated upon written notice by either party to the other requesting the commencement of negotiations. Such notice shall be given no earlier than the Agreement unless the parties agree to other arrangements.
- B. Negotiations shall be scheduled by mutual agreement as follows:
 - 1. Dates for Negotiations will be scheduled no later than February 1st, with the first negotiation date being no later than February 15th.
 - 2. Negotiations will conclude with Salary Schedules after they are approved by the LLS BOE (July 1 or earlier dependent on budget approval process).
- C. The Public Employee Bargaining Act defines "collective bargaining" as the act of negotiating between a public employer and an exclusive representative for the purpose of entering into a written agreement regarding wages, hours and other terms and conditions of employment. NMSA 1978 § 10-7E-4(F) (2003). 10-7E-

17. Scope of bargaining. Except for retirement programs provided pursuant to the Public Employees Retirement Act [Chapter 10, Article 11 NMSA 1978] or the Educational Retirement Act [Chapter 22, Article 11 NMSA 1978], public employers and exclusive representatives: (1) shall bargain in good faith on wages, hours, and all other terms and conditions of employment and other issues agreed to by the parties. However, neither the public employer nor the exclusive representative shall be required to agree to a proposal or to make a concession. Additionally, the impact of professional and instructional decisions made by the employer shall be negotiated.

- D. The obligation to bargain collectively imposed by the Labor Management Relations Policy or the State Public Employee Bargaining Act shall not be construed as authorizing the employer and the exclusive representative to enter into any agreement that is in conflict with policies of the Public Education Department, state statutes, or federal statutes. In the event of a conflict between the policies of the Public Education Department, state statutes, or federal statutes and any agreement entered into by the employer and exclusive representative, the former shall prevail.
- E. All bargaining will be conducted in closed sessions. An Interest-based process shall be used for negotiating sessions. Bargaining will be held at the facilities and at times mutually agreed upon by the bargaining teams.
- F. Both bargaining teams shall have the authority to reach agreement on items presented at the table. Any agreement so bargained, will be reduced to writing and signed by the District and NEA-LL. All agreements reached by the parties shall be initiated as tentative agreements. Such tentative agreements are conditional and may be withdrawn should later discussions change either team's understanding of the language as it relates to other parts of the Agreement.
- G. The District will provide to NEA-LL any available public information requested. The District will also provide NEA-LL a printed copy of the complete line item budget (also known as "rolled out budget") and appropriate updates for the following fiscal year at the time they are made available to the Los Lunas School Board prior to Board action and at the time it is required to be available for public review. This shall not require the District to develop new reports or analyses.

NEA-LL may request and receive other financial data provided to assist in the understanding of district proposals and in the formation of NEA-LL proposals.

NEA-LL shall be provided with the following budget information at the time it is prepared for internal use, prior to the District Board of Education taking action and at the time it is required to be available for public review.

1. A copy of the tentative operational budget including all worksheets and salary schedules submitted to the State Department of Education
2. A copy of the final operational budget report on a quarterly basis.
3. A copy of all state student membership.
4. A monthly copy of a current employee report.
5. A monthly copy of finance reports.
6. A copy of the December 1st, adjustment count for Special Education upon certification.
7. All caseload and class size waivers.
8. A copy of the projected student membership (ADM) for the following school year.
9. After the first 20 days of school, enrollment figures for all classes at each school.

All requests for documents will be provided to NEA-LL within (5) school days after such request.

Any document requested outside of the normal scope of bargaining may fall under the Inspection of Public Records Act (3 days for initial response, and up to 15 days for request fulfillment).

- H. The Agreement incorporates the entire understanding of the parties on all matters that were the subject of bargaining. During the term of the Agreement, neither party will be required to bargain with respect to any such matter whether or not covered by this Agreement, except that the impact of professional and instructional decisions made by the employer will be negotiated on an on-going basis.
- I. This Agreement may not be modified in whole or part by the parties except by an instrument in writing duly executed by both parties.
- J. If the parties cannot reach agreement, NEA-LL or the District, through their respective representatives, may declare in writing that an impasse exists.

1. If an impasse occurs, either party may request from the board or local board that a mediator be assigned to the negotiations unless the parties can agree on a mediator. A mediator with the federal mediation and conciliation service shall be

assigned by the board or local board to assist negotiations unless the parties agree to another mediator; and

2. If the impasse continues after a thirty-day mediation period, either party may request a list of seven arbitrators from the federal mediation and conciliation service. One arbitrator shall be chosen by the parties by alternately striking names from such list, who strikes first shall be determined by coin toss. The arbitrator shall render a final, binding written decision resolving unresolved issues pursuant to Subsection E of Section 17 of the Public Employee Bargaining Act and the Uniform Arbitration Act no later than thirty days after the arbitrator has been notified of his or her selection by the parties. The arbitrator's decision shall be limited to a selection of one of the two parties' complete, last, best offer. The costs of an arbitrator and the arbitrator's related costs conducted pursuant to this subsection shall be shared equally by the parties. Each party shall be responsible for bearing the cost of presenting its case. The decision shall be subject to judicial review pursuant to the standard set forth in the Uniform Arbitration Act.

- K. In the event that an impasse continues after the expiration of a contract, the existing contract will continue in full force and effect until it is replaced by a subsequent written agreement. However, this shall not require the public employer to increase any employees' levels, steps or grades of compensation contained in the existing contract.

ARTICLE Five

INFORMAL AND FORMAL PROBLEM RESOLUTIONS

A. PURPOSE

The purpose of these procedures are to secure, at the lowest possible administrative level, equitable solutions to problems that may arise.

B. GENERAL PROVISIONS

Parties must meet, discuss, and attempt to resolve the issue/dispute in a collegial, non-threatening manner. This may be accomplished by either: (1) employee and administrator meeting informally; or, (2) employee, administrator, and a representative meeting informally.

1. If there is no resolution after the employee/administrator's informal meeting, then the employee may choose to have a second meeting which will include an NEA-LL representative and the administrator. This meeting must take place before a formal grievance is written. Further, the administrator will be notified that this is the second meeting in the informal problem resolution process. He/she will also be informed that failure to reach resolution after this meeting may result in a formal grievance.
2. Employees shall be represented by NEA-LL throughout the informal problem resolution or grievance process if the employee chooses to have representation.

C. INFORMAL PROBLEM RESOLUTION PROCEDURES

Since it is important that problems be resolved as rapidly as possible, the issue must first be discussed by the employee with the appropriate supervisor within 15 work days of the time the employee knows, or should have known, about the event which led to the problem. The employee will discuss the issue either directly or through NEA-LL's designated grievance representative, with the objective of resolving the matter informally. Interest Based problem solving strategies are encouraged as a means of collaboratively solving problems. This is the informal oral process of grievance. The employee will state this as the informal step of the grievance process. All grievances will state the specific Agreement item violation, tell how the employee was harmed, and what remedy is sought. If the parties are unable to resolve the problem, it may advance

to a grievance. Grievances will be submitted on the approved NEA-Los Lunas/Los Lunas Schools Grievance Form.

D. PROGRESSIVE DISCIPLINE PROCEDURE

Los Lunas Schools recognize the need for progressive discipline. The principles of progressive discipline shall be applied to any disciplinary action when the District determines progressive discipline is appropriate.

1. The principles of progressive discipline shall not prohibit the District from taking an immediate or more severe action if warranted by the circumstances. Since it is important that problems be resolved as rapidly as possible, the issue must first be discussed by the appropriate supervisor with the bargaining unit member within 10 days of the unacceptable behavior/work performance.
2. The employee has the right to a union representative at the request of the employee.
3. Progressive discipline may include at least one or more of the following actions:

 - Documented formal verbal warning
 - Letter of documentationThis may also include one or more of the following:

 - Letter of reprimand
 - Improvement assistance plan
 - Intensive review
 - Further disciplinary action, up to termination.

The principles of progressive discipline shall be applied to any disciplinary action when the District determines progressive discipline is appropriate.

E. GRIEVANCE PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the timelines specified at each level should be considered as a maximum and every effort made to expedite the process. The timelines specified may, however, be modified by mutual written agreement. In the event that the employer representative fails to meet the specified time limit, the grievance will advance to the next level.

“Steps of Grievance” will replace Levels of Grievances.

No grievance shall be initiated at Step One unless the issue has been discussed as provided in Article Five Section C, which is the Informal Problem Resolution. Interest Based problem solving strategies are encouraged as a means of collaboratively solving grievable issues up to and including Step Two.

This Policy also provides an opportunity for qualifying employees to voluntarily donate leave to another qualifying employee. This option is required by N.M. Stat. Ann. § 10-7-22 (2014). The Board of Education, by adopting this Policy, expressly reserves unto itself the right to change, modify or terminate any or all provisions of this Policy at any time it deems necessary. The Board of Education does not intend for this Policy to create a trust relationship among the participating employees and/or employees and the Board, nor does the Board intend to create a contract right which may not be modified or extinguished in the future. Rather, the Board intends to create a means of collectively, protecting, to some limited extent, individual participating employees from the detrimental effect of absences from the job, without pay, due to those reasons outlined in this Policy. Board policy 5.44, 2017.
