Dear Student,

It is with great excitement that I welcome you to the Milliken Technical Center! This packet contains a wealth of information, along with forms that need to be completed and signed by both you and your parent/guardian. Your teacher will review our Code of Conduct, Student Handbook, along with information regarding electronic devices.

All of the yellow forms must be completed and returned in order to provide you with permission to utilize materials and equipment. Additionally, these forms provide us with pertinent health information and emergency contacts.

Congratulations again on enrolling in one of our programs. I am confident that your coursework and experiences at MTC will prepare you to be college and career ready.

We look forward to a great year. If you have any questions, please ask your teacher, one of our guidance counselors, or an administrator at any time.

Sincerely,

A handwritten signature in red ink that reads "Chanelle Cox".
