

**Memorandum of Understanding
Between
the Mead School District and
the Mead Extracurricular Employees Association**

This Memorandum of Understanding sets forth the following understanding between the Mead Extracurricular Employees Association and Mead School District #354. This agreement is entered into as an addendum to the current collective bargaining agreement and should not be considered precedent-setting by either party.

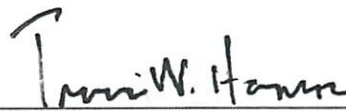

The parties recognize there is a significant increase in interest in girls' wrestling programs. Therefore, the parties agree that 8 students participating in the wrestling program within a single school building will constitute a girl's wrestling team which will then generate the need for a Girl's Wrestling Coach for that school.

As indicated above, this Memorandum of Understanding is an addendum to the current CBA. It is not the intent of either party for any aspect of this agreement to be considered precedent-setting. All other considerations are part of the contract.
