

LIFEPlan CCO is the only parent-led Care Coordination Organization (CCO) in New York State.

"It is important for every parent to have the peace of mind knowing that the supports and services their child needs throughout their lifetime are readily available. As a parent of a child with a disability, I will ensure LIFEPlan will be that peace of mind for you. Together, we can provide a life without limits for your child and mine."

LIFEPlan CCO is a partnership of agencies rooted in our communities with a long history of serving people with Intellectual and Developmental Disabilities (I/DD). This network of agencies has been providing advocacy, recreational, educational and vocational services for almost 60 years. We share a person-centered focus that will improve services and supports through networking with highly trained human service, healthcare and other specialists. We are committed to developing the services that will allow you to be successful in your community and your future.

Our Mission

LIFEPlan is centered on connecting people to the full spectrum of services that will support optimal health and wellness, creating opportunities for people to have meaningful lives.

Our Vision:

- We will advocate for you or your family member to have access to specialized comprehensive health and wellness services that will meet your changing needs.
- We will support you throughout your lifespan to ensure you have the resources available to lead an inclusive life in your community with the supports you need.
- As a family member, we will provide you with the supports necessary to care for your loved one throughout your lifetime and will work with you to create a plan for when you are no longer able to care for them.
- We will have a comprehensive network of disability services and healthcare supports to meet your unique needs or the needs of your loved one.
- We will work with our provider network to create innovative solutions for employment, meaningful day supports and housing solutions
- You are capable of achieving your dreams and we will help you every step of the way.
- Whether you are a self-advocate or family member, We are here for you!

Our Values:

- A person-centered approach to everything we do
- Including you in all aspects of the planning and delivery of services
- The assumption of capability and the goal of Independence

Children and Adults with Intellectual and Developmental Disabilities (I/DD) should not be defined by their disabilities but by their strengths and abilities.

We will provide you or your loved one with the supports necessary to allow you to fully participate in your home, school and communities in a meaningful way.
