

VIDEO PROJECT

Illustrating Skills in Sport

****Please submit the final copy via email to your attendance teacher by the designated due date!!****

OBJECTIVE

You will be creating a video that highlights skills that are necessary to play the sport unit that you are missing due to your medical excuse. Below are the guidelines for your project:

PRIOR TO TAPING

- ↳ *You must create an outline that describes the video you will create.*
- ↳ *If you wish to discuss this outline with your teacher after school, please do so before you begin filming to ensure you are on the right track. This is not required.*
- ↳ *You must make arrangements with the school to use a video camera, provided you do not have your own.*
- ↳ *Use of two resources, cite these resources at the end of your video.*

THE VIDEO PROJECT

- ↳ ***The video will contain the following components:***
 - *An introduction which identifies you, the course, the unit, the teacher, and any relevant opening remarks.*
 - *Description of 4 skills that are necessary to play the sport specific to the unit.*
 - *Video of the 4 skills being performed correctly*
 - *An example of the skills during game play.*
 - *Closing statements.*
- ↳ *The video will be narrated by you.*
- ↳ *Cite any sources that you use.*

The following components of the video are necessary to obtain full credit:

- Copy of outline
- Introduction
- Skill #1: Identification, Explanation, Example
- Skill #2: Identification, Explanation, Example
- Skill #3: Identification, Explanation, Example
- Skill #4: Identification, Explanation, Example

- Closing Statements
- Works Cited
