

Current Event Requirements

****Please submit the final copy via email to your attendance teacher by the designated due date!!****

1. **Students are required to complete a current event assignment related to nutrition and/or personal fitness. Students are responsible for the following...**
 - a. A newspaper, periodical, video clip, or a credible internet site
 - b. The CE must be related to nutrition and/or personal fitness as a personal account, medical update or breakthrough, or research.
 - c. **Article must be recent within the last two months.**
2. **A summary and reaction will accompany the article. (At least two pages double spaced)**
 - a. **In your own words**, you will write at least two summary paragraph(s) explaining what information the article contains. The paragraphs should be written so the reader does not have to read the article to find out what it was about.
 - b. **In your own words**, you will write at least two reaction paragraphs to the article. Take a look at both sides of the articles, what did you learn? Please note anything that intrigues you, strikes you as peculiar or interesting, or that you agree/disagree with, etc....
 - c. Include any other information which you wish you include which is relevant to the main focus of the current event article.
3. **All current events must be at least one-page typed~12 point font, and double-spaced.**
4. **Remember to include citations for any content you are including directly from the article, or any content you are summarizing from the article. If there are no citations for the content which you have taken from the article this is PLAGARISM, you will not receive credit for the assignment.**
5. **The article must be attached to the summary/reaction. If it was a hard copy of the article, please scan it and include it as an attachment for your final submission.**
