Inhalant Drugs Reflection

Write a reflection on the story seen in the video clip. You may use the space provided below to answer. Be sure to answer the following questions in your response to the video:

- Do you think teens understand the true dangers of inhalant drug use?
- How would you feel if the boy in the story was your friend? If you were the one who got them into inhalants?
- How would your parents feel if they were the ones giving the interview about your death due to inhalant use?
- How would your parents feel if you asked them to buy computer duster to clean the family computer and used it as an inhalant drug resulting in death? Do you think they would feel guilty/responsible for your death?

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
