Hi everyone at Silver Oak. Our names are Rhea and Medha. This is our first article on SOT Spotlights. We interviewed Mrs. Hokanson a few days ago and these are some answers to our questions.

Her name is Karen Hokanson

She has been a librarian at these schools: Dove Hill, Holy Oak, and Silver Oak (our school !)

Her birthday is August 29

1. Q: What was it like to be the librarian of Silver Oak? A: I loved working as the librarian for the school. I have worked at Silver Oak elementary for 13

years. But I have worked as a librarian for 20 years.”

2. Q: Why do you like being a librarian? A: “I get all the books, classes and I always have space to keep and showcase my rocks. I don’t just stick with one class like the other teachers, I get to be with every single kid in the school.”

3. Q: What do you like about the students? A: “I always have volunteers to help me with everything and always have someone to chat with. “

Thank you Mrs. Hokanson!
