ADDENDUM

The San Diego Regional Center (SDRC) Service Coordinator (SC) is the primary contact for Regional Center clients.

If a program listed above requires that a student be a client of San Diego Regional Center to receive services, the appropriateness of that program for that individual should first be discussed with the students' San Diego Regional Center (SDRC) Service Coordinator (SC).

In the event that a teacher knows that the student is a client of the SDRC but does not know the contact information for their SDRC SC, the student or parent should be requested to provide that information or to make inquiry through the North County SDRC Office at 760-736-1200.

If a student is not a client of SDRC, an application for intake can be obtained by contacting the SDRC Intake Department at 858-576-2938.

The above should not deter parents, teachers or students from calling or visiting these programs to educate themselves regarding the various programs, their facilities and their services.
