Mountain Shadows Outreach Services: MSOS adult day program serves up to 120 consumers in a center-based environment accessible to community resources, shopping, recreation, and transportation. The overall ratio of staff to consumers is 1:3, unless consumer needs require and funding is approved for more intensive support. MSOS incorporates community integration, mobility training, arts/crafts, sensory therapy, cooking workshops, computer lab, volunteer opportunities and skilled nursing care.

Restricted Healthcare: MSOS can support consumers with medical and physical conditions that are considered health restriction conditions; contact MSOS for a detailed list of supported conditions.

Tailored Day: It is the purpose of MSOS Tailored Day Program to provide the one-on-one support necessary for consumers to build community and vocational relationships and skills. MSOS Tailored Day Program maintains the values that are central to the concept of person centered support (e.g. choice, individuality, respect, and social interactions). These values enable a consumer, with support, to shape their future.

ELIGIBILITY REQUIREMENTS

Consumers may enroll in MSOS based on their need for services provided they meet the following eligibility criteria:

- 1) Must be an adult with developmental disabilities, 18 years of age or older.
- 2) MSOS can support consumers with medical and physical conditions that are considered a Health Restriction Condition and require exceptions from Community Care Licensing (contact MSOS for a detailed list of supported conditions)
- 3) Must be able to participate safely in the program activities at a staffing ratio of 1:3 or lower ratio authorized and funded by the vendoring regional center.
- 4) The program will be notified if a consumer attending the program has or has had a contagious infection or condition during the time that they are enrolled.
 No person with a contagious infection or condition is permitted to attend MSOS. A physician's note indicating that a person is no longer contagious must be received by MSOS prior to a person returning to program.

PROCEDURE FOR ACCESSING SERVICES

To initiate the admission process, a referral packet must be submitted to MSOS. In most cases MSOS can request this from a potential client's San Diego Regional Center Service Coordinator. The referral packet will include the following:

1. Current social assessment
2. Current psychological assessment
3. Current Consumer Program Plan
4. Current Annual Review
5. Current medical assessment/physicians orders

6. Immunization Record
 7. State issued ID (if available)
 8. Social Security (if available)
- * Other documents may be required on an as needed basis

Upon acceptance, MSOS staff will notify the consumer and the Regional Center Service Coordinator by phone and/or in writing.

SERVICES PROVIDED

Contract Services/Outsourcing Solutions

For clients that have never worked before, they will learn important basic jobs skills to prepare them for future positions in the community through ongoing support, guidance and supervision from Employment Training Specialist (ETS) who will coach them and help them gain confidence.

Group Services/Employee Leasing

As clients in Contract Services (CS) gain skills, they can choose to move into the community by working on-site in the first level of 'supported employment'. Other clients begin directly in this group setting, where a team of 3-4 individuals works under the continuous supervision, training and support of an ETS. Commonly, clients work in food services, production support, laundry services, car washing, grounds keeping, litter abatement or janitorial services.

Individual Placement/Direct Hire

This type of 'supported employment' provides clients with maximum independence, working alongside co-workers with or without disabilities. An ETS provides 100% training, support and supervision for the first month of employment, gradually decreasing to part-time (20%) as clients become more comfortable and independent in their jobs. Some newly enrolled PWI clients begin directly in Individual Placement (IP). Others start in CS or GS before transitioning into IP.

Vocational Assessment Services

A unique service offered by PWI. Clients who are ready to make a transition into outside employment have the opportunity to work with a Vocational Assessment Services Specialist who will assist them to identify their strengths and interests, will assess them for work readiness and teach them the strategies and practical skills they need to ensure their success. Clients can visit various businesses, observe employees at work and even try a hand at jobs they may have an interest in. Services include Job Exploration ('shadowing' another employee to learn job duties or assist in job choice); External Situational Assessment (learning to perform 'hands-on' tasks of a job); and Personal, Vocational and Social Adjustment (strategies for overcoming barriers to employment in the community, such as communication, assertiveness and decision-making skills).

ELIGIBILITY REQUIREMENTS

Partnerships With Industry's (PWI) services are free of charge to all participating clients and/or family members. In order to qualify for Partnerships With Industry's services potential clients need to:

- Have an active/open case with the San Diego Regional Center, or qualify for services with the CA Department of Rehabilitation
- Not present a danger of injury to himself/herself, others, or property
- Care for personal issues (e.g., medication, etc.) independently
- Adhere to PWI's policies and procedures
- Arrange and maintain reliable transportation independent of Partnerships With Industry
- Coordinate funding before Partnerships With Industry services can be provided if they are not a client of the San Diego Regional Center
- Work the minimum number of hours required by their program
- Be willing to follow program guidelines, attendance, and punctuality
- Be willing to challenge themselves to succeed with support provided by Partnerships With Industry

- Be the leader of their vocational planning

PROCEDURE FOR ACCESSING SERVICES

1. Contact San Diego Regional Center (SDRC)– visit their website or call 760.736.1200 . Clients must meet certain requirements and be referred by a San Diego Regional Center Client Services Coordinator.
2. Once approved by San Diego Regional Center, PWI will conduct an assessment of the client’s vocational interests and goals and arrange an ‘intake meeting’ with the SDRC Coordinator or DR Counselor and PWI Staff. Eligibility for services will be determined at this time. ***Please note: a copy of a most recent physical exam or a new physical examination may be requested at this time.*** Opening a case with Department of Rehabilitation (DR) can take up to 60 (sixty) days or longer. We encourage constant communication with your PWI manager regarding your status or to answer any other questions. It is only when clients complete all steps that we can begin working together. The PWI manager is the client’s point of contact and will assist them with each step.

SERVICES PROVIDED

Bliss Escondido supports individuals with intellectual and behavioral challenges in an effort to enhance positive behaviors that lend themselves to maximizing social, vocational and community participation.
 Our well-trained and experienced staff members provide supports with empathic understanding, respect and a desire to assist our participants in finding their bliss, in a 3:1 participant-to-instructor ratio.
 We have an LVN on staff as well as a behavioral consultant.
 On-going assessment, person-centered planning and a focus on functional, productive and meaningful activities are the building blocks of each individual’s program.

ELIGIBILITY REQUIREMENTS

Bliss Escondido is designed to support individuals who are 18 years or older, diagnosed with a developmental disability, Cerebral Palsy, Epilepsy, Autism and/or individuals who function like a person with a developmental disability. Our participants require intensive supervision and training for severe behavioral excesses as well as for deficits in self-help, communication skills and adaptive functioning. Individuals may have co-occurring mental health diagnoses and/or restricted health care conditions.

PROCEDURE FOR ACCESSING SERVICES

Referrals typically come to us through our San Diego Regional Center partners. We welcome inquiries and enjoy touring families and community partners.

A pre-placement interview is completed along with review of collateral information from the regional center. Our administrative team (program manager, site supervisor and behavioral consultant) determines the appropriateness of our program for the individual

CATCHMENT AREA

Bliss Escondido partners with San Diego Regional Center's San Diego and North County units. Transportation is a service People's Care offers to our participants.

1. ADC 1:3 program: This program is intended for people who require the presence of a Licensed Medical Professional to meet his or her health needs. This program focuses on providing range of motion, specialized eating/feeding programs, mobility skills training, g-tube feeding, tracheostomy care, oxygen administration and many other incidental medical needs. 2. BMP 1:3 program: This program provides services to people who display challenging behaviors. The focus is on creating individualized plans, which focus on positive aspects of a person's own personal and unique abilities. The staff work closely with our Consulting Psychologist to address areas of concern. The goal is to reduce or eliminate the need to engage in inappropriate behaviors. Areas of focus can include teaching new alternatives when dealing with feelings of anger and frustration, overcoming communication barriers, increasing tolerance in a variety of environmental settings and learning how to interact with others in a positive and appropriate manner. 3. CBP 1:3 program: People attending this program meet at the program site and from there access the community via public transportation or Unyeway vehicles. Other than bad weather conditions the community based groups strive for 100% of their activity time in the community. The people in the community based program seek to enjoy and become involved in community activities, create natural community supports, access community resources, learn safety skills, and engage in appropriate community interactions.
ELIGIBILITY REQUIREMENTS
Must be over the age of 18.

Current physical and clear TB test before start date.

*Other requirements may be needed prior to start date depending on level of need of the person.

PROCEDURE FOR ACCESSING SERVICES

To access services we would like to meet the person and his or her family or care provider. This is usually accomplished during a tour of our facility and during the intake process. SDRC would send us a referral and collateral packet. Admissions packets must be completed and funding in place before a person would start.
