BUILDING HIGHLIGHTS

Ms. Barth's horticulture classes teamed up with members of the Ohio Landscaping Association to rehabilitate the school's pollinator garden. The amazing effort was coordinated by Brian Knauer of the Pattie Group who has been instrumental in supporting the horticultural science program here at WHS. Staff from Turfscape, Brian-Kyles, Yard Smart, and even OLA's executive director, Sandy Munley, were on hand to assist and guide our students through the process. Thank you to all the vendors that volunteered their time and to the many students who were involved.
