Purpose Statement Heading

The purpose of standards based reporting is to provide accurate feedback and reflect on student growth. This report communicates current levels of proficiency as students work toward specific learning goals developed from grade level standards. Behaviors that promote learning, such as social development and work habits, are included but reported separately.

Proficiency Levels and Descriptors	
EX	Exceeding Standard: Exceeds the rigor of the end-of-term standard consistently and independently across a variety of contexts.
ME	Meets the rigor of the end-of-term standard consistently and independently across a variety of contexts.
PR	Progressing in Learning of Standard: Making progress towards consistently and independently meeting the end-of-term standard across a variety of contexts.
BE	Beginning Learning of the Standard: Developing foundational skills needed to progress towards meeting the end-of-term standard consistently and independently.
IE	Insufficient Evidence: Lack of student evidence submitted to assess standard.
