

October 12, 2018

Dear Park School Community,

We so look forward to celebrating our playground renovation this Sunday, October 14, 2-4pm! It promises to be pretty chilly, so for those of you hoping to just drop in, we will be giving a number of brief speeches at 2:30. There are so many friends who have contributed to this effort, and this is our chance to say thank you, as well as to thank Marlene Grossman for her years of service as our principal.

Next week will be parent-teacher conferences. I want to thank the parents and guardians who have volunteered to be room parents for Iden's class, Sarah's class, Laird's class, Mark's class and Donna Murphy's class. If you are interested in getting more involved with the world of your child's classroom, please talk to his or her teacher about becoming a room parent. It is a flexible volunteer assignment, much of which can be done from home, but an invaluable way to build relationships with fellow parents and guardians.

It is also not too early to start thinking about our Holiday Party, Friday, December 14, 6-8pm. If anyone would like to get involved, there are plenty of ways to help: designing invites, taking charge of the music, organizing the food or the decorations. It is also not too early to think about donations or ideas for our holiday raffle. Concert tickets, sports tickets, museum memberships, restaurant gift certificates . . . if you or your family know of anyone who has a connection and would like to donate to a good cause, we so welcome the help. The more of us who can be involved in the planning, the richer we all are.

On that note, I wish all of you a celebratory weekend,

Anna
