

PARENT-SCHOOL COMPACT

The Title I Parental/Guardian Involvement Compact will be reviewed with parents at the beginning of every school year. It is our goal to engage schools and parents as full-time partners in the education of young people in a meaningful and productive way. You will receive the compact at the beginning of the year which you need to review with your child, sign and return to your child's teacher. There is a copy of the compact within this packet so that you can refer to it throughout the year. Feel free to conference with your child's teacher or the school principal concerning the compact. We want to work with you in supporting your child's educational growth and success. Each year a committee of parents will review the compact to determine if any changes are necessary.
