

MATHIAS TITLE I PARENT/GUARDIAN ENGAGEMENT COMPACT

Believing that high student performance is a shared responsibility, Mathias Elementary School and the parents/guardians agree to enter into this Compact:

THE SCHOOL WILL:

- _____ Provide high quality curriculum and instruction and relevant homework that will enable participating children, with the involvement of parents/guardians, to meet student performance standards set forth by the State of Arkansas for all students;
- _____ Hold an annual meeting for parents/guardians of eligible children to notify them of their child's eligibility to participate in the program, explain the Title I program, this Compact and inform them of the importance of their involvement with their child;
- _____ Offer a flexible number of meetings (a.m. and p.m.) to provide timely information and training for parents/guardians in order to help them become effective partners in their child's learning;
- _____ Provide frequent reports allowing two-way communication with parents/guardians on proficiency levels children are expected to meet and their child's progress toward meeting State standards.
- _____ Provide parents reasonable access to staff by school email, opportunities to meet during teacher planning time, during parent/teacher conferences, or by appointment as requested by parents/guardians;
- _____ Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities as requested by parent and/or teacher;
- _____ Provide timely responses to parents'/guardians' recommendations.

THE PARENTS/GUARDIANS WILL:

- _____ Ensure prompt and regular school attendance because your child is missing learning when they are absent or tardy. Breakfast in the Classroom starts our day together as a school family. Your child will not want to miss this relationship building opportunity with teachers and classmates.
- _____ Read and respond to communications from the school
- _____ Ensure your child completes their homework and reads every night.
- _____ Have a routine that allows your child to develop healthy habits such as at least eight hours of sleep, physical exercise every day, monitoring television programs, video games, internet, and social media time in order to support your child's learning as the most important thing for them.
