

Parent Friendly Summary of the Northside Parental Involvement Plan

Northside Elementary recognizes the value of a strong home/school connection. Families, administrators, teachers, and support staff must work together as a team to support high standards for all students. The Northside Parent Involvement Plan addresses the ways in which the school and the home can work together to meet the specific academic needs of our students. This plan is available to all parents including those with limited English proficiency. Copies were distributed in the welcome packet at the beginning of the school year. Additional copies are available through the school office, and on the district's website at www.rogersschools.net
