

Parent Friendly Statement

The team at Lingle Middle School seeks to work in partnership and collaboration with our all of our families. We constantly strive to provide excellent customer service for all of our students and their families. It is our strong belief that is only through partnership with parents, guardians, and families that our students are able to reach their maximum potential. The Lingle team constantly pursues the development of these relationships in hopes of fostering the best possible learning experience for all students.

-Where all belong, all learn and all succeed.
