## WHO WE ARE

The Summit Country Day School, founded in 1890, is a coeducational, Catholic, college preparatory school grounded in the values of our founders, the Sisters of Notre Dame de Namur. Located on a 24-acre campus in Hyde Park, a residential area just five minutes from downtown Cincinnati, students hail from 16 different school districts in Ohio and Kentucky.

The school has a current enrollment of 1,077 students in a Montessori preschool and divisions through grade 12. The Upper School consists of 355 students and 47 highly trained teaching faculty. 37% of students are offered financial aid/scholarships.

Consistently ranked as one of the top high schools in Cincinnati, our mission is to develop leaders of character across five pillars: academic, athletic, social, spiritual and artistic. Our diverse student body excels at a wealth of enrichment activities including, but not limited to, leadership teams, clubs, competitive athletics, the arts, Christian Service, student broadcasting, Mock Trial, Robotics, philanthropy, ministry, and diversity.

## POLICY ON THE REPORTING OF DISCIPLINARY ACTION

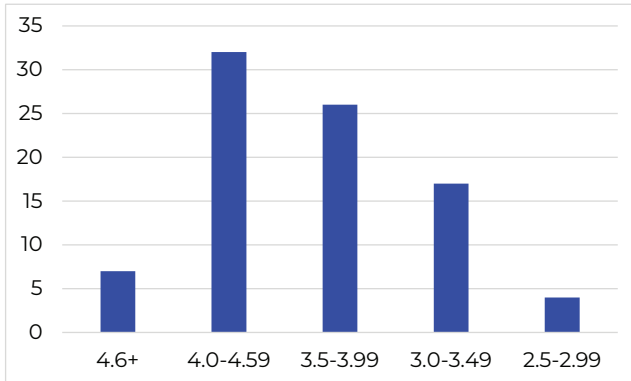

The Summit Country Day College Counseling Office will answer questions posed by colleges and report appropriate records that colleges may request regarding major disciplinary action including suspension and expulsion. The Summit expects students to disclose their disciplinary history when it is required of them in the college application and enrollment process.

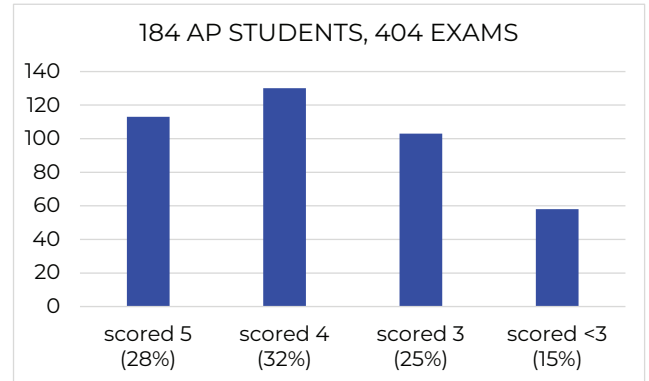

## ACADEMIC CURRICULUM

- ◆ The Summit operates on a traditional semester system - the school day has five 65-minute bells; each class meets three times a week
- ◆ Students must take six full credit/full bell courses each semester
- ◆ Class scheduling does not permit students to enroll in all courses for which they are eligible
- ◆ While students very rarely take AP courses before sophomore year, 95% of students in the Class of 2023 took at least one AP course
- ◆ Students enrolled in AP courses are required to take the AP Exam
- ◆ **The Summit does not rank students, a result of our small class size and the considerable percentage of high academic achievers**

## LEADERS OF CHARACTER

The Leaders of Character program is built upon three domains, developing self, building community, and serving God and has components that are required of all students. These include activities that are a part of our Advisement program, Gathering Bells, and our curriculum. Additional leadership opportunities are available to students including leadership teams, and faculty and student led organizations and clubs. These teams, organizations, and clubs share a common leadership curriculum that reflects our three domains and the attributes that define them. All students are encouraged to pursue what they enjoy, to try new activities, and then to work at being leaders in things for which they feel passionate.

## WRITING SKILLS

Upon graduation, Summit students will have been successfully challenged to write a variety styles with vigor. Students write across the disciplines and will have competed five research papers at the end of their Summit tenure. 89 percent of our college-age alumni rank their writing ability higher than their college peers.
