

What is a School-Parent Compact?

A School-Parent Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all of our students reach grade level standards.

Our Compact will Benefit everyone!

Jointly Developed

The parents, students, and teachers of Franklin Forest Elementary developed this School-Parent Compact for Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact. **Parents are welcome to contribute comments at any time!**

If you would like to volunteer, please contact our Family Liaison- **Shella Clark-** by calling the school.

Activities to Build Partnerships

Anytime parents visit FFES- from lunches to academic workshops- our partnership is strengthened! Please check the student handbook/ calendar for all events. If you would like to volunteer or mentor at the school, please call us!

Communication and Student Learning

FFES is committed to frequent two-way communication with our families about student learning. Here are some ways we communicate:

- Tuesday folders
- Updates on our school website
- Home visits
- Parent Conferences
- Board in the front of the school

- Remind messages
- Phone Calls, emails

REVISION DATE : September 14,

2023

School-Parent Compact For Achievement

2023-2024

1st Grade Focus for Student Success

Franklin Forest Elementary School

Lindsey Binion, Principal

(706) 845-7556

Our Goals for Student Achievement

District Goals:

1. Improved Lexile Levels, College & Career Readiness Index Scores (CCRPI), & Georgia Milestone Assessment (GMAS) scores
2. Observation of more rigorous instruction, increased implementation of STEAM and project based learning activities

*problem solving & critical thinking

FFES 1st Grade Goals:

By the end of the 2023-2024 year, 75% of 1st grade students will show typical growth on the iReady Reading assessment.

By the end of the 2023-2024 year, 75% of 1st grade students will show typical growth on the iReady Math assessment.

Teachers, Parents, Students- Working Together for Success

In the 1st Grade Classroom

The first grade teachers will work with students and their families to support student success. Some of our key connections with families will be:

Send weekly newsletters home with tips for reading, writing and math.

Library books and high frequency words will be sent home weekly for extra literacy practice.

Send home graded classwork and high frequency words in Tuesday folders for parents to go over with students, along with any work not completed.

At Home

FFES parents joined staff to develop ideas about how families can support student success.

Read the weekly newsletter.

Read my child's library book with them each week.

Review classwork and high frequency words with my child.

1st Grade Students

Students joined staff and parents to develop ideas about how they can succeed in school. Students shared the following ideas:

Practice the tips my teacher sent home on the newsletter.

Read with someone at my house each night.

I will practice my high frequency words and finish work I did not complete in class.

Teachers, Parents, and Students believe these additional key points will create success for our 1st Graders this year:

1. Go to bed on time.
2. Eat a good breakfast.
3. Complete homework.
4. Follow PBIS Expectations.
