Rogers High School Mission Statement

The mission of the Rogers Public Schools is to provide an environment of educational excellence where all belong, all learn, and all succeed.

Rogers High School Vision Statement

Rogers High School will collaborate as a learning community to prepare all students for success.

Rogers High School Collective Commitments

- Students First
- Promote excellence through continuous improvement
- Promote respect for human differences
- Development of character through integrity, responsibility and fairness

**ROGERS HIGH SCHOOL
ALMA MATER**

Faithful and true-hearted
Let us boost for our old high;
We'll revere her and defend her
As her colors proudly fly.
We will stand for her united;
Of her deeds we'll proudly tell
Her colors streaming glad faces beaming
So here's a cheer for her,
For her we love so well,
Joyous and ever loyal
Let us boost for our old high;
Let every heart sing; every voice ring;
There's no time to grieve or sigh;
It's ever onward our course pursuing
May defeat ne'er our ardor cool.
But united we will boost for her
Our Old High School!

**ROGERS HIGH SCHOOL
FIGHT SONG**

Go Rogers High
Take that ball down the field.
For all Rogers High School
Forever prevail.
So let's fight for the right
To defend her tonight.
It's M-O-U-N-T-I-E-S
Rogers High!

Rogers School District
State of Commitment to Parental Involvement

The Rogers Public School District recognizes that parents play a crucial role in the success of their children in school, and commits to encouraging parents to be full partners in the education of their children.

The school district has developed a parental involvement plan at both the district level and school building levels, as prescribed by Arkansas Act 603 of 2003. These plans, which are reviewed annually, reflect the district's commitment to parent involvement including the following components: assisting families with parenting skills, communicating about school programs and student progress, recruiting family volunteers, involving families with learning activities at home, including families in school decision-making and collaborating with the community to coordinate resources and services.

Tips for Parents

(Developed by the Arkansas Department of Education
and Parental Involvement Committee, 2003)

1. Value and have a positive attitude about learning.
2. Set aside regular time and space for homework.
3. Form a two way communication between school and home.
4. Talk and listen to the student about school.
5. Make sure he/she is well rested, well fed and healthy.
6. Know his/her grade level requirements, graduation requirements.
7. Use the library and other community resources
8. Support family learning through everyday activities.
9. Form relationships with the school and teachers and attend school functions.
10. Set aside family time.
11. Support your student's school by notifying the school of your willingness to volunteer.
12. Set limits on behavior and discipline patiently.
13. Meet your child's friends and get to know their parents.

General Information

Academic Integrity

By their conduct and influence, all students will endeavor to build a high standard of honesty and truthfulness in all academic work. Students are expected to conduct themselves with honor and integrity in the classroom and in preparation of course work at all times. Students must work to be successful in the classroom with each student's success based upon his/her own merit. To this end, academic misconduct of any kind is unacceptable and will result in disciplinary action.

Announcements

Announcements will appear on RHS TV (YouTube) and on the school website.

Calendars

All RHS events will be placed on RHS calendars. Athletic events for all sports are listed on the Rogers High School Athletic Calendar and Rogers High School Events Calendar accessible from the Rogers Public Schools website. All postponed and/or cancelled events will be announced over the school intercom and listed on the Rogers High School website.

Attendance Policy

The Rogers Public Schools' attendance policy (outlined in separate section entitled "Student Attendance Policy") details the standards of expected student attendance and outlines consequences for truancy and excessive absences. Rogers High School requires all students to acknowledge the understanding of this policy as outlined in the *Rogers Public School District Information Packet*. All absences will be recorded for each student. Students should present appropriate documentation of all medical reasons for absence. These documents may be needed during attendance hearings at the end of a semester. Failure to follow the district attendance policy will result in disciplinary action, including loss of academic credit. Consistent unapproved absences may also result in a referral to the social worker.

Automated Calling System

Rogers Public Schools uses an automated calling system to notify parents of student absences. In addition, a letter will be sent to parents/guardians on the 5th and 10th absences that occurs in a class period. Please contact the Attendance Office if you believe that you have been contacted in error.

Closed Campus

Rogers High School is a closed campus. Once students arrive on campus, they are to remain on campus throughout the entire school day with the exception of approved school activities. Any student needing to leave the campus for any reason must check out through the attendance office. Students and parents who abuse closed campus rules will be contacted by the administration. Students are not to go to the parking lot for any reason without permission from the office.

Delivery of Food during Lunch

Food delivered to the building must be delivered to the main office. Delivery of food by an employee of a restaurant chain is not allowed during the lunch period.

College Visits

Seniors may be allowed one (2) days of school business to visit colleges or universities and juniors will be allowed (1) day. One (1) additional day will be allowed to seniors that scored a composite score of 19 or higher on the ACT assessment. These days will not count as an absence and may be taken either semester. Seniors must provide a written request from their parent/guardian TWO (2) full days in advance to the attendance clerk. **Example:** if you are requesting to miss a Friday, you will need to have your information to the attendance clerk NO LATER than the Wednesday before 8:15 a.m. Seniors with more than nine (9) days of absence in any class or who have a record of truancy in a class will not be granted a college visit day. No college visits will be allowed during the last three weeks of senior classes. In order to earn a senior business day, a student must return official documentation of the visit to the attendance office within five (5) days.

Tardies

Students are to be in their assigned classrooms prior to the ringing of the tardy bell. Students with an excessive number of tardies will be assigned detention and/or ISS. Failure to attend detention or failure to change tardy behavior will result in a referral to the assistant principal for disciplinary action. Should a student be tardy because of being detained by school personnel, the student will present a note to the teacher from the person that detained the student and the tardy will be excused. If a student misses more than 15 minutes of a class period, the student is considered absent for the whole class. Students arriving more than 15 minutes late to school should report to the Attendance Office. Students are allowed one (1) tardy per nine weeks. Unexcused tardies per class per nine weeks will be dealt with as follows: 2nd tardy – one detention; 3rd tardy – two detentions; 4th tardy – three detentions; 5th tardy – will be sent to an assistant principal.

Not Showing Up For Detention Assigned By Teacher/Principal

Students who are unable to attend morning or afternoon detention should immediately inform the main office personnel that they will either attend detention the following school day or that going to detention is impossible and they prefer suspension. A sign-in sheet will be provided for this purpose at the main office front desk. Repeatedly reporting that they will go to detention the next day will be construed as insubordination and a suspension will result. Morning detention hours are from 7:30-8:00 a.m. in the RHS room 1166 and afternoon detention is from 3:40-4:10 p.m. in RHS room 1166 on Monday through Thursday of each week.

Campus Environment/School Property

Rogers High School is a beautiful campus. Students are expected to treat it as such. As a good school citizen, students are obligated to respect and protect all school property. Please use trash cans for the disposal of all trash. Failure to comply with these guidelines may result in appropriate disciplinary action, including payment for damaged property.

Campus Availability

The commons, courtyard, and library are open to students before and after school. Classrooms are available for student conferencing, tutoring, and/or study sessions beginning at 7:00 a.m. or with permission from instructor.

Electronic Devices

The use of any electronic personal communication device may be used in the halls during passing periods and during lunch in the cafeteria and/or the courtyard. These devices are **not allowed during academic times** unless the teacher deems appropriate. The principal may modify use of electronic devices during the school day.

Note: Students may not use cell phones or other electronic devices during instructional/class time for personal use. Students who violate this policy will be told to store the device for the remainder of the instructional period. Such actions that violate the policy may include checking the phone, texting, or using it in any capacity during instructional/class time without permission from the classroom teacher. Failure to comply with the teacher's request to store the device or repeated uses of the device may result in student disciplinary action for insubordination.

For all students in grades K-12, the school, school district, and school district personnel assume no responsibility for any cell phone, personal communication device, or personal entertainment device that is lost, damaged, or stolen in a school building, on school property, or during travel to and from school.

Counseling Office

Counselors are available for academic counseling, social/emotional counseling, career guidance, and needs-based groups. Please call (479) 636-2202 for an appointment to ensure the opportunity to speak with your student's counselor:

Counselors	Student Last Name
Carla Moose	A – COO
Carlton Efurd	COR – HE
Tracy Mitchell	HI – MONT
Shelena Smith	MOO – SAK
Amy Raybourn	SAL – Z
Carilia Nunez	ESOL Level I, II, & III

SMART CORE

Smart Core Curriculum and Core Curriculum each are a standard component to the required course of study to graduate from Arkansas Public Schools. All students will participate in Smart Core curriculum unless the parent or guardian waives the student's right to participate. Waiver forms are available in the counseling office and must be pre-approved by counselor.

Deliveries

RHS will accept flowers and balloons. Students cannot take them from the office until they are going home (balloons cannot be taken on the bus). We highly recommend home delivery. **ABSOLUTELY NO DELIVERIES DURING VALENTINE WEEK WILL BE ACCEPTED.** Food deliveries by parents/guardians must be taken to the main office. The office does not notify students of deliveries.

Discipline Policy

Please refer to Rogers Public [School Student Discipline Policy](#) and [Student Discipline Policy Guidelines](#).

Military Recruiters “Opt Out” Form

Federal Law requires the school district, upon request, to release the name, home address and telephone number of all high school students to military recruiters unless the student or students parent/guardian have directed the school not to release this information. An “Opt Out” form can be filled out and returned to the registrar. Once received, the student’s name will be removed from the list.

Dress Code

Please refer to Rogers Public School [Student Dress Code Policy](#) and [Student Dress Code Guidelines](#).

Elevators

The two elevators on campus are reserved for faculty, parents, and those students that require their use due to injuries or other approved uses.

Emergency Information/Procedures

Closing of School/Inclement Weather (dismissal of school)

During the winter months, we often face a difficult decision on whether to close the schools because of inclement weather. When this decision must be made, many factors are taken into consideration, but student safety has been and will continue to be our primary concern on inclement weather days. As soon as the decision is made, radio station KURM (790AM), TV stations KHOG 40/29, KFSM 5 and KNWA 9 will be notified. We also post an announcement about school closure on our web site at www.rogersschools.net and on Facebook (Rogers Public Schools; Rogers High School (Arkansas)), Twitter (@rogersschools; @RHS_Mounties) and Instagram (@rhsmounties). If the District announces there will be limited bus service, this means if the road leading to your child’s bus stop is not safe for a bus to travel, then the bus can be met at a main road on the bus route. A listing of typical route changes is available along with more school closing information on the district web site.

Fire Drills

1. The school is required to have fire drills. These drills will be signaled by flashing strobe lights, a warning siren, and an announcement that a fire is present.
2. Fire exit maps are posted in each room.
3. Students and teachers should leave the classroom in a quiet, orderly manner.
4. Doors close automatically and administrators check that everyone has evacuated the building.
5. Teachers will call roll outside at their designated meeting areas to be sure that all students are present.
6. Students must stay in the designated area with their teachers until the return signal is given.
7. Students are required to follow their teacher’s direction in all emergency situations.

Tornado Drills

1. Tornado Drills and/or lock-down drills are required in September, October, January, and February.
2. The drill will be signaled by flashing strobe lights, a warning siren, and/or an intercom announcement.
3. Tornado evacuation locations are posted in each room.
4. Students and teachers should leave the room in a quiet, orderly manner and go to the safe area designated on the map.
5. Students must stay in the designated area with their teachers until the return signal is given.
6. Students are required to follow their teacher’s direction in all emergency situations.

Extracurricular Activities

Extracurricular activities play an important part in the lives of many students. The positive lessons learned in these activities are beneficial to students, not only during their school years, but also long after they leave school. Extracurricular activities provide students with special opportunities to develop skills and attitudes and to be recognized for their accomplishments. Participants in such activities are expected to be role models for other young people.

Clubs & Student Organizations

Rogers High School offers a wide range of extracurricular opportunities including athletic and academic teams, clubs, student government associations as well as career organizations. Students are strongly encouraged to become involved on campus through these organizations. A full list of available student organizations and clubs is available through the main office.

Guidelines for Certain Extracurricular Activities (guidelines outlined in *Rogers Public Schools Student Athletes & Parent Athletic Manual*)

The Rogers School District has adopted the following requirements for participation in athletics and other activities in which students give public performances or compete against students from other schools. It is the districts' expectation that parents will fully understand the need for such requirements and will assist school personnel in seeing that students meet these requirements. The requirements that follow are for **all** extracurricular activities; specific extracurricular programs may impose additional requirements.

1. Academic Requirements

Participants must meet all guidelines established by the Arkansas Activities Association, the Arkansas Department of Education, and the school district. As a minimum, students must maintain a C average (2.00 GPA) (or be enrolled in an approved Supplemental Instruction Program) and pass 4 classes during the previous semester. (Refer to Eligibility guidelines as outlined in Athletic Manual)

2. Disciplinary Requirements

Participation in student activities is a privilege and not a right. Creditable student conduct shall be one of the criteria for participation in school activities. Creditable conduct includes such things as regular and punctual attendance and a quality of conduct which promotes the best interests of school. It also includes the student-athletes conduct outside of the school walls and in the community. Conduct should not be detrimental to the well-being of the team, school, or community. Therefore, students shall exhibit standards of behavior which will bring credit to the student, the activities, the school and the community. Students who participate in the activities, athletics, or performing arts programs should remember the rewards, recognition, and notoriety that comes with involvement also carries a high degree of school, civic, and individual discipline and responsibility.

The board recognizes that the student behavior shall be in compliance with school board policy, Student/Parent Handbook Discipline Code and with public laws. Repeated referrals of a student to the office of an assistant principal or to the principal, (or any other person having general responsibility for discipline in the school) for misbehavior may be sufficient reason to declare a student ineligible. A single serious breach of good conduct, either in or out of school may also be sufficient cause for declaring a student ineligible to participate in a school activity. Behavior not in compliance may result in suspension or expulsion from all extracurricular activities.

3. Physical Examinations

Participants in the following extracurricular activities are required to undergo an approved pre-participation physical examination: All interscholastic athletic activities, cheerleading, and dance teams, and other activities as determined by school officials.

All questions regarding participation in any Arkansas Activities Association (AAA) governed competitive activity/sport should be directed to Mr. Keith Kilgore, District Athletic Director, 500 W. Walnut, Rogers, AR 72756.

Food Service Procedures

The RHS cafeteria staff provides a variety of meal choices for students and faculty. They offer breakfast, a plate lunch, sandwich, ala carte choices and a complete food bar. Students have the option of depositing money in their own account for purchases in the cafeteria. Students are encouraged to make lunch account deposits early in the morning before classes to avoid delays in the serving line at lunchtime. Checks will be accepted for meal accounts only. No cashing of checks will be allowed. No bills larger than a twenty will be accepted in line. Students participating in the free and reduced lunch program are coded in the computer to avoid any possibility of identification during meal service.

Note: free and reduced lunch program applications must be completed annually. All meal choices are offered to all students; however, the ala carte items offered are not reimbursable meals and will not meet the guidelines of the National School Lunch Program. Students participating in the free and reduced lunch program may purchase ala carte items with cash. These items may often cost more than the regular meals since no reimbursement is received and items are offered as individual purchases. Parents may also use the Rogers School District's on-line **MyPaymentsPlus** system located on the district website.

Grade Book Online

Parents and students may check grades, attendance and general progress through eSchool Home Access Center (HAC). Parent account logins and instructions on how to use the program are available in the main office.

Graduation Requirements

For all information regarding graduation requirements, concurrent credit, class rank, honors credit, etc. refer to the course catalog. This catalog is available online and also in the counseling office.

Locker Assignments:

Lockers are the property of Rogers High School and may be searched by school faculty at any time. Private locks are not allowed.

Lost and Found

Items that have been lost may be found in the commons.

Media Center

The Media Center is available from 7:30 a.m. – 4:00 p.m. for tutoring, study sessions, and/or individual research or book browsing/check-out. The Media Center will be closed Monday afternoons at 3:30 due to faculty meetings.

Nurse's Office

Students who become ill while at school may be excused from class to see the school nurse. Any student requiring medication, whether over the counter or prescription, is required to check that medication in with the nurse for dispersal. Students are not allowed to self-medicate. Doing so will result in a discipline referral up to and including recommendation for expulsion.

Parent Authorization/Accountability Waiver

Before a Rogers High School student (married/18 yrs. old) is allowed to sign excuse notes or other official school documentation, the parent authorization/accountability waiver must be filled out. The waiver form can be picked up by the parent at the district office. All requests for the use of this form must be approved by the Executive Director of Secondary Curriculum and Instruction.

Phone Messages

For students

Class time will not be interrupted to deliver messages. Emergency messages will be taken with the approval of a principal. We will only accept messages from pre-approved parents or guardians.

For teachers

Parents are encouraged to contact teachers via email. Parents may also contact the RHS office at 636-2202 to obtain teachers' email addresses or to leave a message for teachers.

Report Cards

Report cards are to be picked up by parents at the Parent/Teacher conferences at the end of the first quarter. Second and third quarter report cards will be sent home with students and fourth quarter report cards will be mailed home. Report cards are held until fines for damaged or lost books are settled. Parents and students may also check grades, attendance and general progress through the grade book on-line viewer.

School Dances

Attendance to Rogers High School Dances will be open to students from other schools under the following conditions: (1) must be the date of a Rogers High School student; (2) students must be in grades 9-12; **exception - for Prom all students must be in grades 10-12. Freshmen are not allowed to attend Prom;** (3) must pick up a "good standing form" from the main office. This form should be signed by a principal from the other school and returned to the RHS main office by 4:00 p.m. the Thursday before the dance; and (4) must present a picture ID at the dance. **The RHS administration reserves the right to deny admission to anyone in order to maintain the safety and security for all students.**

Statement of Assurance

In keeping with guidelines of Title VI, Section 601, Civil Rights Act of 1964, Title IX, Section 901, Education Amendments of 1972, and Section 504 of the Rehabilitation Act of 1973, the Rogers Public Schools assures that no person shall, on the basis of race, color, national origin, sex, religion, or handicap be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program. Any concerns of such should be reported in writing to the RPS Equity Coordinator, Dr. Roger Hill, 500 W. Walnut, Rogers, AR 72756.

Telephone Use

The office telephones are for business use. The phone is not to be used during class time. School personnel may limit or deny usage.

Transportation

School Buses

In accordance with Federal Highway Safety Standard #17, entitled "Pupil Transportation Safety," and Rogers School District Policy, each student who is transported in a school vehicle is to be instructed in the rules and safe riding practices of a school bus. Students are responsible for following all Transportation rules related to riding school buses. Failure to do so will result in disciplinary action. School bus rules may be found in the RPS District Information Booklet.

Student Parking

Parking permits will be sold in the office. Students will have two weeks at the beginning of the school year in which to obtain a permit. After that time, a citation will be issued to vehicles parked without a parking permit. All automobiles, motorcycles, and other vehicles must be registered in the office.

1. No car or other vehicle may be taken from the parking areas during the day without permission.
2. The following information will be needed for a parking permit: a driver's license, the description of vehicle and license plate number. Only those vehicles with permits will be allowed in the parking areas.
3. There will be no spinning tires, racing motors, or reckless driving on school property. Motorcycles will observe the same regulations.
4. Parking violations will result in consequences assigned by principals up to and including loss of parking privileges and/or discipline action.
5. Students are not to enter or disturb a vehicle belonging to another person.
6. Students are not allowed to access their vehicles during the school day without a pass from the office.

Parking Permit Guidelines

1. Parking permits cost \$10.00 and must be displayed hanging from the rearview mirror of student vehicles at all times when parked on school property. If you lose your parking permit, you will need to purchase a replacement in the office for an additional \$10.00. If you CHANGE vehicles, please report the new information to the office immediately. If you drive more than one vehicle on a regular basis, please purchase a permit for each vehicle.
2. Do not park in faculty parking, handicapped parking, reserved parking, fire lanes or on the grass. Parking on the west side of the building between the gym and field house is reserved for staff only.
3. Students, who do not have a parking permit displayed or park in areas other than those designated for students, will receive a WARNING. If a student continues to park in unauthorized areas or does not have a parking permit displayed, administration may choose to have the student's vehicle towed at the owner's expense.

Vehicle Inspections

1. The school retains authority to conduct routine patrols of student parking lots and inspections of the exterior of student vehicles on school property.
2. The interior of a student vehicle may be inspected whenever a school official has reasonable suspicion to believe that the vehicle contains illegal or unauthorized materials. Such patrols and inspections may be conducted without notice, without student/parent consent, and without a search warrant. Failure to comply will result in forfeiture of parking privileges at RHS.

Visitor Sign In

Visitors must sign in at the main office prior to visiting any areas on campus. At sign in, visitors will be required to present a government issued photo identification. The Raptor system will be utilized for a background check and a pass will be provided that should be worn visibly during their visit to Rogers High School. Visitors (friends) are not permitted during the school day. Visitors to the school will be allowed for school business only. A final decision on how PTO meetings will be conducted has not been made but virtual meetings could be an option. Any visitor entering the building may be asked to complete an ADH screening form.
