Things to know:

Please remember, JES is a costume free school. We make up for it with the all school mask parade with masks made by our kids in art class.

Save your costumes for the costume dance and trick or treating.

Family-Teacher conferences

Be on the lookout for sign up information from your student's teacher for conferences, they will be held October 26th from 3-6pm

If your student arrives after 7:50 they must come up to the main door and check in at the office before getting breakfast and going to class.

Our spirit week was a huge success!!

Community meeting

PreK 4 went on a field trip to Shelburne Farms.

The students got to explore the forest, they found in their explorations salamanders and slugs, many different shape leaves and different bark. The children were able to harvest potatoes from their garden, wash and prepare them over the campfire our forest teacher Mr. Jedd made and we were able to try the potatoes with our lunch. The children got to be a part of each step from gathering the kindling for the fire to exploring the forest floor and where to look for bugs and salamanders and how to handle them gently and put them back with their home. We ended our day with visiting the farm animals.

Prek 3 class

Has been working on a art project that we will display in our classroom. They have been working hard making bats to fly in our classroom from the ceiling. They also have been working on their name art book and have been creative with pumpkin seeds and glue.

A Halloween-themed poster with a dark blue background. At the top, a large orange circle contains the text 'JES HALLOWEEN PARTY' and 'JOIN US IF YOU DARE'. Below this, the words 'HALLOWEEN PARTY' are written in large, bold, orange letters. The background features silhouettes of bare trees, a witch's house with lit windows, and a forest of evergreen trees. Several black bats are flying in the sky. At the bottom, there are several jack-o'-lanterns and a slice of pizza.

Mark your calendars and join Green Mountain Tech on Wednesday, November 8th, for their 2023 Community Open House.

This is a great chance for community members and prospective students to get a behind-the-scenes look at the cutting-edge educational opportunities offered by Green Mountain Technology & Career Center - the Lamoille Valley's only career and tech ed center.

The open house, running from 5:30-7:00, is an opportunity to meet educators, see classrooms and labs, and gain insights into becoming a tech center student.

Attendees will also have the chance to see current students demonstrating skills through live demos in their program areas

J.E.S. Mask Parade!

Tuesday, October 31st 9:15 am

If it is not raining:

We will meet on the hill at 9:15 for a whole school photo then parade through town following the route in the staff binder

In the event of rain:

We will meet in the gym and sit with our classes like in a community meeting. Students in Kindergarten will stand and walk around the inside of the circle to show their amazing masks to the rest of the school community, then back to their spots to sit. We will follow suit with grades 1-6.
