

Enrollment and Capacity Management Advisory Committee Meeting Agenda

October 16, 2023 (Virtual)
 Facilitator: John Morstad
 6:00 – 6:30 PM: Orientation
 6:30 – 8:30 PM: Main Meeting

*The **purpose** of the Enrollment and Capacity Management Advisory Committee (ECMAC) is to increase community trust in long-range planning for enrollment and building use. The ECMAC will analyze information affecting enrollment, capacity, and building use, and generate observations and recommendations to be communicated to district administration.*

In order to facilitate our work together, we agree to the following **protocols**:

- represent the work of the ECMAC when communicating with others;
- share concerns directly with the person involved if a communication or relationship breakdown occurs;
- listen for understanding and contribute individual perspectives and interests openly;
- fully engage in the ECMAC work; and
- begin and end on time unless we agree to revise.

Outcomes: As a result of our meeting tonight, ECMAC members will:

1. get to know each other and begin to create a sense of cohesion and trust as a group;
2. review the framework and purpose of the committee;
3. review previous year’s ECMAC work;
4. be informed about the current status of the Building a Better Future process;
5. review the elementary and secondary capacity assumptions and updated capacity calculations
