# Public Comment

## Public Comments are Welcome

### Public Comments which identify a concern or give positive feedback

Those issues must be related to Special Education. This information or concerns must be about **broad issues** related to Special Education in **multiple districts**.

### Comments *must be documented on Public Comment Forms*

Comments must then be **read aloud**, either by the author or a CAC Board Member at a CAC meeting. (Forms are available at the check-in table; may be completed **before or during** the meeting when the comment is read aloud.)

### Comments are *recorded in the CAC minutes for that meeting*

Minutes are distributed to all NCCSE District Superintendents and Special Education

### Comments are *reviewed at next the CAC Board meeting for awareness and/or response*

If comment is determined to be within scope of CAC, responses may include, for example, recommendations and/or referrals to Special Education Directors, specific District(s), etc.

### Actions/Discussion *reviewed as agenda item at next CAC meeting*

As well as subsequent meetings as applicable and are **documented** in CAC meeting minutes

### All *minutes* pertaining to the individual Public Comment are *filed in the Public Comment binder* for reference
