

## PEST MANAGEMENT

### NOTICE

School Year 2023-2024   X   First Semester

       Second Semester

Dear Parent/Guardian, District Employee, or Health Professional,

The Board of Education has implemented a program of Integrated Pest Management (IPM) in order to control pests in a way that minimizes economic, health and environmental risks. All individuals applying pesticides will be properly certified in keeping with applicable legal requirement. If you wish to be notified 24 hours in advance of a planned pesticide application or as soon as possible when an emergency application is necessary, please register at the office of your school. (Employees assigned to a non-school site may register at the Central Office.)

Sincerely,

Ashley Troutman  
Assistant Superintendent for Student Services  
McLean County Schools
