September 2022

Dear Parent/Guardians of AP students:

As we begin, the 2022-23 school year, Irondequoit High School continues to offer and support the rigorous academic AP courses for our students. The timeline for students to indicate/commit to taking the AP exam is the October 14th, 2022. I encourage you to look at the Website: AP Central and learn more about the resources available for students:

College Board AP, <https://ap.collegeboard.org/>

We highly encourage all students to take the AP Exam in May. Within the first few weeks, students will join the online course. Students should work closely with their AP teacher and counselor regarding course enrollment and subsequent exam participation in May of 2023. If your child is struggling with the course material, they should work with their teacher and counselor to develop a plan for support and help before they consider withdrawal from the course. This should be done prior to September 30, 2022.

Below is some information regarding timelines that will be helpful:

- The cost of an AP exam is \$97.00. Fee reductions are available for economically qualified.
 - *Students will be able to pay for AP Exams through **My School Bucks***
- The AP exams must be ordered in early November 2022, any exam ordered after this date we will have to charge the student's account a \$40.00 late fee.
- Exams canceled after March 2023 are subject to a \$40 fee.

If you have any questions, please feel free to reach out to me at any time at 336-3037. We look forward to supporting your child in reaching success in Advanced Placement courses.

Sincerely,

Barbara Battin
Assistant Principal, Irondequoit High School
