

ACADEMIC PROGRAM **OF EXCELLENCE** **(APEX)**

The Bellflower Academic Program of Excellence (APEX) is a voluntary organization, established in 2015, with the goal of preparing Bellflower High School's high achieving students for admittance to the most competitive colleges and universities in the country.

Bellflower's APEX director will monitor student progress throughout the time that they remain a member. The APEX director will provide the necessary academic support, cultural enrichment, and supervision to ensure student success. Students will also receive leadership development training, in addition to obtaining specialized attention with resumes, college applications, and scholarship applications.

Membership for APEX will be set by a rigorous application process. Students must meet the following conditions in order to join:

- Apply for entrance into the program and take a written exam
- Maintain a Weighted Total GPA of 3.6 while in high school
- Take a minimum of 5 Advanced Placement (AP) classes by the time the student is a senior in high school.
- Students can apply at the end of their 8th, 9th, and 10th grade year
