

PBIS is a proactive concept that focuses on positive, preventive, and productive approaches to school-wide discipline. PBIS is research-based and proven to maximize academic engagement for students. The school-wide expectations of Oak Pointe are to **"Be a P.A.L."** Our focus is on encouraging students to show their **Personal Best** (respect for themselves), **Acceptance** (respect for others), and **Live Responsibly** (respect for the environment).

- P - Personal Best**
- A - Acceptance**
- L - Live Responsibly**

Students have the opportunity to earn "Barrel Bucks" from all of the faculty and staff at Oak Pointe when they are caught being a P.A.L. They will put the buck they earn in the barrel buck wheel in the front office and receive a sticker or redeem 10 bucks at the school store. Every Friday morning meeting, nine student's names will be drawn from the wheel. These students will receive a tangible reinforcement and their picture will be put on the "Good Neighbor Wall." Events and activities to reward and encourage students to be a "Good P.A.L." include: **Palapalooza Celebrations, April - Be a PAL Month (PAL Picnics, Popcorn with PAL, Wagon Wednesdays).**
