Also... TRUNK or TREAT @ Berry
Set up starts at 5PM
Community 6:30 PM – 8:00 PM

Principal's Message

We are so thrilled to have flipped the calendar to October as this month has so much in store. Please see our "Month at a Glance" and encourage your child/children to participate in our upcoming events!

We look forward to our Teacher/Parent Conferences on October 9th. If you have not done so already, please be sure to communicate with your child's teacher and request a time for an in-person conference or a phone call. These are quick 15-minute conferences, but serve as an important opportunity to get feedback on your child's academic and personal progress. You are also able to access all of your child's grades and progress in ParentVue. If you do not have access yet, or need your login information, please feel free to swing by the office to receive your login information.

So many of our students are already well on their way to developing strong personal and academic habits. This week, we are celebrating our "Core Essential Students" awarded for displaying the quality characteristics of "Friendship." These students will be treated to a Chik-fil-A breakfast on Thursday, October 5th and will also receive their certificate. We have daily "Positive Office Referrals" for Principal recognition and the opportunity to sign the "Wall of Fame." To support our Positive Behaviors program (PBIS/3R's), every student also has the opportunity to earn Dojo points. We are excited to open our school store this Friday. If students have earned enough Dojo points, they will be able to spend their Dojo points either in the classroom or at the school store!

Our Reading for Education fundraiser has been a great success so far! Thank You for those that have already been participating. We have raised over \$5,000 towards our outdoor classroom. This easy and hassle-free fundraiser is on-going throughout the entire school year. Please continue to share emails/links with family and friends. Many of our teachers have received generous gift cards for classroom materials and students are LOVING the awards as well. Additional prizes that have been earned will be distributed as we receive them. Thank You very much for your considerations and generosity. <https://www.rfe.net/sid.r?0000290351>

Please notice that I have included several documents with this newsletter. Please view, print, or pin so that you have these documents for your convenience and reference.

- Cell Phone Policy
- Parent Handbook (FULL of information)
- Spirit Week Flyers (Hispanic Heritage AND Anti-Bullying)
- Chess Tournament
- Trunk-or-Treat

As we move further into the 1st quarter, please be sure to reinforce our 3R's of: Respect, Responsibility, and Ready to Learn. Students know what that should look like, sound like, and feel like all over our building. Feel free to use the same 3R's at home! I appreciate our families and community members that continue to remain actively invested as a school partner. We are all in this together!

Thank You for your continued support,
Ms. McLaud
