

# SCIENCE EXPLORERS®

IF IT'S NOT FUN, WE'RE NOT DOING IT!

## SLIME TIME

Prepare to get elbow deep in gooey fun as we make different slime creations over this 3-week intro into the world of polymer chemistry. You'll make amazing color changing slime, textured slime with growing orbs, and slime that you can draw on!

## SCIENCE SAMPLER

Experience a sampling of our different club themes each week! Become a "slimeologist" and mix up a batch of oozy glowing slime, become an inventor and build your own circuit to send messages in Morse Code, become a geologist and discover mysteries beneath the Earth, and create chemistry concoctions!

## MAGICAL MIXTURES

Join us as we explore the science behind the magic! Reveal a rainbow of colors during our acid and base investigation, mix up an exothermic reaction to create a "matter monster", conduct experiments on mystery powders, and uncover the secrets behind disappearing crystals and magic sand. These fun-filled experiments will amaze you and your friends!

## INVENTION LAB

Calling all inventors! If you like to tinker with things, then do we have a club for you. Make a metal detector to identify conductors and insulators, build a circuit with a switch for your own mini shiner, construct a cool catapult, mix up your own ink and create art with a quill pen.

## BLINDED BY THE LIGHT

LIGHT! It bends, it bounces, it scatters! Explore the science behind color and light in this exciting hands-on exploration of the science that illuminates our world. Make a rockin' rainbow tube, create a light maze, experiment with UV detectors, and make a luminescent goo tube.

## ANATOMY ACADEMY

Head, shoulders, knees and toes, eyes, ears, mouth and nose....lungs, heart, brain and skin....where should our Pre-Med club begin? Take a journey into the human body as you examine your heaviest organ (your skin!), find out how to make your memory better, and learn how the heart pumps blood. We'll continue our fun in the lab as we grow polymer brains, examine a real sheep heart, make a model lung, and extract DNA from a banana.

## EARTH'S MYSTERIES

Join us as we learn more about this planet we call home. Explore the relationship between predator and prey, make discoveries about dinosaurs that once roamed the earth, use the power of the sun to make tasty treats, and explore hidden treasures. There is so much to learn about our fascinating world!

# SCIENCE EXPLORERS®

610-816-5047 \* ScienceExplorers.com

**Club Tuition per Topic:** \$99 before start date; \$110 if you register on or after start date

**Special 3-Week Slime Time Tuition:** \$75 before start date; \$85 if you register on or after start date

*(Many schools do not allow registrations on the same day that a club starts so please register early.)*

## Leighton Elem.

Thursday Afternoons - 3:30-4:30 - Grades 1-5

2023-24 School Year:

### Science Sampler

October 26, November 2, 9, 16

### Magical Mixtures

November 30, December 7, 14, January 4

### Invention Lab

January 18, 25, February 1, 8

### Blinded By the Light

February 22, 29, March 7, 14

### Anatomy Academy

April 4, 11, 18, 25

### Earth's Mysteries

May 2, 9, 16, 23

**Multi-Club Discount:** Register for 3 or more clubs in one order and automatically receive 5% off the total.

### Important Information:

**Please Register Early:** A minimum number of participants is needed one week prior to the start date in order to run a club. Class size is also limited and many clubs fill quickly. Registrations will only be confirmed via email. There will be a \$15 processing fee for all refunds given prior to the club start date. Refunds are not permitted once a session has begun. We are unable to pro-rate for any reason including registering after the start date.

**Late Fee Policy:** Parent is responsible for child's attendance and prompt pick-up. Late pick-ups are subject to additional fees of \$5 at 10 min. late and \$1 per min. after.

**Cancellations:** In the event of inclement weather or other emergencies, Science Explorers will follow your school's dismissal procedure. If a class is cancelled due to weather or other circumstances beyond our control, Science Explorers is unable to provide a refund; however we will make every effort to reschedule, add an extended session or offer a virtual option if possible. We are unable to issue a refund if your child cannot attend a make-up date.

**Want to get in on the fun?** Many clubs use parent helpers to assist each week in exchange for FREE club tuition. If you are interested and have all of the background checks required by your school, please email us at : [parenthelper@scienceexplorers.com](mailto:parenthelper@scienceexplorers.com) (Please make sure you are available to help for each of the dates in any given club topic. Thank you!)

By registering your child you grant permission and release Science Explorers and its affiliates from any and all liability relating to or arising from Science Explorers after-school club program.

**REGISTER ONLINE AT: [ScienceExplorers.com](http://ScienceExplorers.com)**
