Mission Statement

Committed to academic excellence, Community School of Naples inspires and empowers students to realize their own potential as engaged learners and responsible global citizens.

COVID-19 STATEMENT: March 2020 through May 2020 was entirely virtual learning. In the 2020-2021 school year, learning took place on-campus, with a small number of students utilizing our At-Home Learning System, attending class virtually and synchronously with their on-campus peers. For the 2021-2022 school year, this option was discontinued and all students attended in-person and on-campus. Academically, we made no other accommodation to the COVID-19 Pandemic.

SCHOOL

Established in 1982, Community School of Naples is the largest independent, nonsectarian school in Southwest Florida. The Upper School was established in 1992 and graduated its first senior class in 1996. One hundred percent of seniors attend selective four-year colleges.

STUDENT BODY

CSN students represent diverse economic and social backgrounds, and 16.5% of the student body receives tuition assistance. Total tuition assistance is \$3,537,000. The student body includes students from 21 countries outside of the United States, and students with diverse backgrounds comprise 21% of Upper School enrollment. The total enrollment of CSN in 2022-2023 is 1004, including:

- Upper School (grades 9-12): 389 students.
- Middle School (grades 6-8): 230 students.
- Lower School (grades PK-5): 389 students.

FACULTY

The faculty is comprised of 125 teachers and administrators who also teach. Of the 48 members of the Upper School faculty, 65% hold advanced degrees. The average student/faculty ratio is 8:1 (Upper School).

ACCREDITATION & MEMBERSHIPS

Community School of Naples is fully accredited by the Florida Council of Independent Schools. CSN is also a member of professional organizations including:

Association of College Counselors of Independent Schools • CollegeBoard • The Cum Laude Society • National Association for College Admission Counseling • National Association of Independent Schools • School & Student Services by NAIS • School Year Abroad • Secondary School Admission Test Board • Southern Association for College Admission Counseling

NOTEWORTHY OPPORTUNITIES AT CSN

- **CSN Scholars Program** enables students to specialize in one of four areas: Creative, Human Performance, Global, and STEM. Students who successfully complete all requirements of this program receive special designation on their transcripts.
- **AP Capstone Program** is a rigorous program designed to equip students with argument-based research and writing skills and involves taking AP Seminar and AP Research.
- **Junior Experience** is a two-week program at the end of junior year. During this time, students complete an outdoor education trip, where they hone skills of leadership, compassion, and self-reliance. Students also participate in Career Bound (job shadowing in a student's chosen profession) and College Bound (an intensive workshop focusing on the Common App, college essay, and one-on-one meetings with a College Counselor).
- **The Juliet Collier Sproul Center for Community & Global Impact** seeks to create transformational opportunities for students to contribute meaningfully to the community, the environment, and the world beyond through purposeful acts of service.
