

## **AcademyLI Scholarship Center**

As many of you are now finding out, paying for college is going to be expensive. During recent years, we've noticed that scholarship opportunities for Academy students often go unclaimed simply because students don't apply for them. Many parents have reported that they would encourage their children to apply for these awards had they known the opportunity was available.

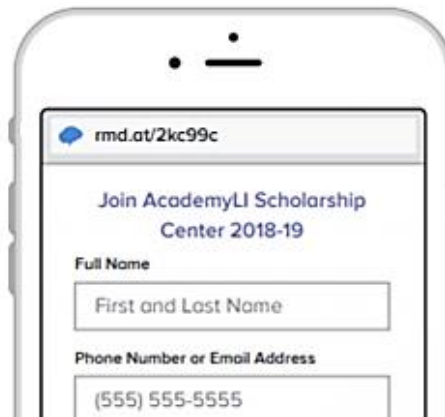

To help with this, we've established the **AcademyLI Scholarship Center**. By registering with us, we will send you a text message each time a scholarship opportunity is available. When possible, we will even include a link to the application itself. With this process, you and your child can complete the necessary paperwork together. To register, please follow the steps below. You may unsubscribe from this service at any time by replying **@LEAVE**.
