

USDA SMART SNACKS IN SCHOOLS

This form must be attached to each REQ submitted for food to be purchased for students (excluding food items for instructional use)

In compliance with the Healthy Hunger-Free Kids Act of 2010, the USDA has issued nutrition standards for all foods and beverages sold to students in school during the school day, including foods sold through school fundraisers, effective July 1, 2014.

*School day is defined as the period from midnight before to 30 minutes after the end of the official school day.

Submitted by: _____ Date: _____

FOR CHILD NUTRITION USE ONLY

Approved by: _____ **Date:** _____

No blanket PO will be issued for food/beverage purchases to be sold to students during the school day. If approved, these requisitions will be one-time purchases and specific food/beverage items to be sold to students must be listed on the REQ. If requested, you may be asked to provide the nutrition content data for any items being requisitioned in order to confirm compliance with nutrition standards.
