Students will not be permitted to complete December Final Exams before the scheduled exam period. If a student misses May Final Exams with a doctor's excuse, he/she will be expected to make up these exams not later than the first week of summer break. Students will not be permitted to complete May Final Exams before the scheduled exam period. If snow days are used, the final date for second semester changes, thus moving the date of second semester final exams. Please take this into consideration as you are scheduling summer vacations.
