All eligible teachers will be entitled to the maximum leave allowed, when necessary, under the provisions of either the specific leave section listed above and/or this family leave section.

An unpaid leave of absence for up to twelve (12) weeks in duration may be granted to eligible teachers for certain family or medical reasons. A teacher who has been employed for at least twelve (12) months (need not be consecutive) before the leave request and who has worked at least 1,250 hours during the previous year is eligible for a leave of absence pursuant to this section.

### **2.15.1 Qualifying Events**

**2.15.1.1** A family or medical leave will be granted should the need arise for any of the following qualifying reasons:

- A. Birth of the teacher's child, or the placement of a child for adoption or foster care, and first-year care of the child.
- B. To care for the teacher's spouse, child, or parent who has a serious health condition.
- C. For a serious health condition that causes the teacher to be unable to perform his/her job.

**2.15.1.2** Leaves may begin before the birth of a child if a medical condition exists that makes the teacher unable to perform the job, or prior to the placement of a child for adoption or foster care if circumstances require absence from work for the placement to proceed. A teacher's entitlement to leave for the birth or placement of a child expires at the end of the twelve (12) month period beginning on the date of the birth or placement.

**2.15.2** Notice Requirement - If the leave is foreseeable, thirty (30) days written notice is required. Failure to provide thirty (30) days notice for a foreseeable leave may cause the leave to be denied until thirty (30) days after the teacher first gave the required notice of the foreseeable leave. If the need for the leave is not foreseeable, the teacher must give notice to the office of the Superintendent as soon as possible.

**2.15.3** Certification Requirement - Any teacher's request for leave due to a serious health condition or due to the serious health condition of a qualifying family member must be supported by a timely certification issued by a health care provider. The teacher must provide the requested medical certification within fifteen (15) calendar days after the request was made. If the Superintendent has reason to doubt the validity of medical certification, the employee may be required to obtain a second opinion at school corporation expense. Should any variance between the two medical certifications exist, a third opinion, at school corporation expense, may be requested. This opinion shall be final and binding. Failure to submit the required medical certification may result in the denial of the leave or denial of basis. Medical certification shall be submitted on forms provided by the school corporation.

**2.15.4** Request Procedure - Requests for leaves of absence and extensions must be submitted in writing and on the prescribed form supplied by the office of the Superintendent unless impossible due to an emergency.

**2.15.5** Leave Substitution - Teachers will substitute accrued vacation, personal leave, sick leave, or other qualifying leave for all or part of any otherwise unpaid FMLA. This qualifying paid leave will be counted as part of the teachers twelve (12) weeks of FMLA leave entitlement. However, the use of paid leave by the teacher under circumstances which do not qualify as family medical leave cannot be counted against the twelve (12) weeks of FMLA leave to which the teacher is entitled.

**2.15.6** Maintenance of Group Insurance - During the FMLA, eligible teachers will maintain coverage under the teacher's group health plan (including life insurance) at the same level and under the same conditions for which coverage would have been provided if the teacher had continued in

active employment continuously for the duration of such leave. Teachers who contribute to such a group health plan must continue to make such contributions during the period of their leave in order to maintain coverage. The employer may recover the premium paid for maintaining a teacher's health plan coverage during any period of unpaid leave if the teacher fails to return to work for a reason other than the continuation, recurrence, or onset of a serious health condition that would entitle the teacher to leave, or other circumstances beyond the teacher's control.

- 2.15.7** Restoration to Position and Benefits - Eligible teachers returning from family or medical leave with twelve (12) weeks will be returned to the position that they held when they went on leave, or they may be placed in equivalent positions with equivalent benefits, pay and other terms and conditions of employment.
- 2.15.8** Return to Work - Teachers returning from any form of leave of absence must be able to assume all of the essential functions of their jobs upon return. As a condition to restoring a teacher whose leave was based on the teacher's own serious health condition, such teacher must provide certification from the teacher's health care provider stating that the teacher is able to resume work.
- 2.15.9** Failure to Return from Leave - A teacher granted a leave of absence pursuant to this provision who fails to return to work upon expiration of the leave granted shall be classified as "voluntarily terminated."
- 2.15.10** Intermittent or Reduced Schedule Leave
  - 2.15.10.1** During the first twelve (12) weeks of leave for a serious health condition (either a teacher's own or that of a qualifying member), intermittent or reduced schedule leave may be taken when medically necessary. Teachers seeking intermittent or reduced schedule leave must provide medical certification issued by a health care provider. Teachers who have requested foreseeable intermittent or reduced schedule leave due to planned medical treatment may be transferred temporarily to an available alternative position at the discretion of the Superintendent if the alternative position better accommodates recurring periods of leave than the teacher's regular position, provided the teacher is qualified for the alternative position and the position has equivalent pay and benefits. Certified staff are required to take leave in half (.5) day increments.
  - 2.15.10.2** Teachers requesting FMLA leave near the end of an academic term will be subject to special rules of the FMLA.
- 2.15.11** Leave Entitlement Period - The twelve (12) month period in which the twelve (12) weeks of family leave entitlement occurs will consist of the twelve (12) month period measured forward from the date the particular teacher's FMLA leave begins.
- 2.15.12** Status Reports - During the leave, a teacher may be required to provide periodic reports on his/her status and intent to return to work following leave. Requested information must be provided within fifteen (15) days of the request.
- 2.15.13** Jointly Employed Spouses - A total of twelve (12) weeks of FMLA leave will be granted to

each jointly employed spouse regarding birth or adoption of a child or to care for a sick parent. If the FMLA leave request is for personal illness, each spouse will be entitled to twelve (12) weeks of FMLA leave.

The teacher shall be permitted up to three (3) consecutive days for a brother-in-law or sister-in-law.

The teacher shall determine if those days begin the day of death or the day immediately following the death, as may fit the individual teacher's circumstances. Multiple deaths resulting from the same cause within the immediate family shall be treated as a single bereavement leave.

Situations may arise that may require special consideration. In such cases the teacher may submit a written request to the Superintendent explaining the special circumstance. The Superintendent may approve of modifications in the bereavement leave and/or grant additional days. The determination by the Superintendent is final and is not subject to any grievance procedure.

A teacher shall be permitted to be absent from work without loss of compensation for one (1) school day to attend the funeral of any other member of the family. The teacher may use three (3) personal leave days if needed in addition to the bereavement leave.

## **2.17 Professional Leave**

When it is evident that convention or conference attendance will contribute to the effectiveness of the instructional program, the Board may grant convention or conference leaves. Fair consideration will be given to any reasonable request for convention or conference attendance.

In the event school is canceled on a scheduled conference day due to inclement weather, any teacher or teachers scheduled to attend such conference shall individually or collectively choose whether or not to attend such scheduled conference.

## **2.18 Court Leave**

## **2.19 Jury Duty Leave**

When requested, a teacher may serve on jury duty. The Board shall pay the teacher his/her full salary provided that such teacher agrees to return to the Board any stipend received for participation on the jury.

## **2.20 Association Business Leave**

A maximum of twelve (12) days each school year may be used to conduct Association business. Any one teacher may be granted a maximum of three (3) days for Association business leave. Said days may be taken in half-day increments. To initiate the use of Association business leave day(s), the President of the Association shall give the superintendent and the building principal, so affected, written notification listing the teacher(s) participating and the date(s) of participation. Any expenses incurred shall be the responsibility of the Association. A statement itemizing the cost to the corporation (including the compensation of substitute teachers) shall be submitted to the Association prior to the beginning of the following school year. The Association shall remit the amount to the Board treasurer in a timely fashion.

If an administrator requests a teacher to be absent for purposes defined in this section, said absence shall not be charged against Association business leave nor reimbursement required.

## **ARTICLE 3 – GRIEVANCE PROCEDURE**

### **3.1 Definitions**

A grievance is a claim by a member(s) of the bargaining unit of an alleged violation, misinterpretation, or misapplication of the terms of this Contract and may be resolved through the procedure set forth herein.

### **3.2 Purpose**

Good morale is maintained, as problems arise, by sincere efforts of all persons concerned, to work toward constructive solutions in an atmosphere of courtesy and cooperation.

Teachers should be aware that proper channels are open for them to find equitable solutions to just grievances at the lowest possible administrative level. The Association pledges its members not to abuse this privilege.

### **3.3 Procedure**

- 3.3.1** Level One Within twelve (12) calendar days from the time that the grievant(s) knew, or reasonably should have known, of the grievance, the teacher with an alleged claim shall first discuss it with the individual building principal with the objective of resolving the matter informally. - 3.3.2** Level Two In the event that the grievant(s) is not satisfied with the disposition of his/her claim at the previous level or in the event no decision has been made within five (5) calendar days after presentation of the informal claim, he/she may file a formal grievance in writing on the form jointly developed by the Board and Association. The formal written grievance must contain the name of the grievant(s), state the facts giving rise to the grievance, identify the specific provisions of this Contract alleged to be violated, state the contention of the grievant(s) with respect to the grievance, indicate the specific relief sought, and be signed by the

grievant(s) or the grievant's designee if the grievant is unable to sign the grievance and orally confirms to the principal that the designee is authorized to sign the grievance in the time allotted. One copy of the formal grievance will be sent to the building principal within five (5) calendar days after receipt of the oral answer or if no oral answer was received, within ten (10) calendar days after the meeting for presentation of the informal claim.

The building principal shall represent the Board at this level of the grievance procedure. Within seven (7) calendar days from the receipt of the written grievance by the building principal, he/she shall meet with the grievant(s) in an effort to resolve the grievance. The building principal and the grievant(s) may each elect to have one (1) representative at the meeting. Within seven (7) calendar days after the formal hearing, the building principal shall respond in writing to the grievant(s) with his/her answer.

- 3.3.3** Level Three In the event that the grievant(s) is not satisfied with the disposition of his/her claim at Level Two or in the event no written decision has been received within seven (7) calendar days after the formal hearing, he/she/they may appeal within seven (7) days to the Superintendent by filing a copy of the original grievance form and the building principal's answer, along with a written response of the grievant(s) to the answer of the principal, with the Superintendent's office. The Superintendent shall give the grievant(s) an answer in writing no later than ten (10) calendar days after receipt of the aforementioned materials.
- 3.3.4** Level Four Within ten (10) calendar days after receiving the written decision of the Superintendent, an appeal from the decision may be made to the Board. The Board shall hold a hearing on the grievance at a regular or special meeting and render its decision in writing to the grievant(s). The Board's decision shall be given in writing to the grievant(s) and the Superintendent not later than ten (10) calendar days after the conclusion of the Board's hearing, and shall be binding on all parties.

## **ARTICLE 4 – COMPENSATION & BENEFITS**

### **4.1 Compensation Model 2023-2024**

#### **4.1.1 Salary Range**

**4.1.1.1** At the beginning of the 2022-2023 school year, the salaries of returning full-time teachers were between \$41,600 to \$73,540, excluding current year increases, TRF contributions, compensation for extra-curricular activities, NonCredit Teaching for Ancillary Duties, and other payments to teachers not outlined in Article 4.1.

**4.1.1.2** After the increase in teacher base salary is awarded, the salaries of full-time teachers will be between \$45,000 and \$73,540, excluding current year increases, TRF contributions, compensation for extra-curricular activities, NonCredit Teaching for Ancillary Duties, and other payments to teachers not outlined in Article 4.1.

#### **4.1.2 Base Salary Increases**

##### **4.1.2.1 General Eligibility**

- A. A teacher who received an evaluation rating of ineffective or improvement necessary in the prior school year is not eligible for any salary increase and remains at their prior year salary.
- B. Only a teacher who was employed in the corporation for at least 120 days in the prior year.
- C. A teacher who is in the first two full school years of instructing students who receives an evaluation rating of improvement necessary or was not evaluated in the prior school year is eligible for a salary increase.
- D. A teacher who is employed solely under an emergency license is not eligible for any salary increases and remains at their prior year salary unless the teacher makes adequate progress towards obtaining a non-emergency license. Adequate progress is defined as having completed the following:
  - 1. completing coursework, as necessary, for licensure attainment
  - 2. attempting a minimum of three (3) licensing exams in the prior contract year

Situations may arise that may require special consideration. In such cases, the teacher on an emergency license may submit a written request to the Superintendent explaining the special circumstance. The Superintendent may approve of general eligibility modification. The determination by the Superintendent is final and is not subject to any grievance procedure.

##### **4.1.2.2 Factors and Definitions**

- A. Evaluation rating - The teacher received a highly effective or effective evaluation rating for the prior year.
- B. Year of experience - The teacher was employed in the corporation for at least 120 days in the prior year
- C. Academic needs - The need to retain all eligible teachers for reason(s) other than

education and/or experience: teacher shortage.

#### **4.1.2.3 Placement on Salary Schedule (See Salary Schedule attached as Appendix A)**

- A. Teachers who satisfy the evaluation factor and education factor will transition to the 2023-2024 salary schedule.
- B. Prior year teacher salary levels of teachers satisfying the evaluation factor and education factor will be placed on the 2023-2024 salary schedule at the same row and column as the prior year's salary schedule (See Salary Schedule as Appendix B). The academic need factor accounts for 100% of any salary increase resulting from the transitional placement of an eligible teacher to the 2023-2024 salary schedule.

#### **4.1.2.4 Distribution - Advancing on the Salary Schedule (See Salary Schedule attached as Appendix A)**

- A. A teacher who satisfies the evaluation rating factor and the years of experience factor will advance 1 row within the same column from the initial transitional placement.
- B. The education factor accounts for 50% of the maximum available salary increase resulting from advancing on the salary schedule.
- C. The experience factor accounts for 50% of the maximum available salary increase resulting from advancing on the salary schedule.

#### **4.1.2.5 Redistribution**

- A. Any funds otherwise allocated for teachers who were rated ineffective or improvement necessary will be equally redistributed to all teachers rated effective or highly effective. The redistribution will be in the form of a stipend that will be paid at the end of the contract year.

### **4.1.3 Stipends**

#### **4.1.3.1 New Teacher One-Time Stipend**

- A. Amount of Stipend = Up to \$5,000

New teacher one-time bonus stipends will be set by the Superintendent.

- B. General Eligibility

New teacher to the school corporation. The Superintendent, or designee, will evaluate the training and experience of all applicants for certified positions to determine if a one-time bonus, not to exceed \$5,000.00, is appropriate to attract highly qualified applicants to the school corporation. This determination will not be subject to review under the grievance procedure or otherwise. The teacher acknowledges that the one-time bonus shall not continue in successive contract years.

- C. Basis for stipend

Circumstances may arise to incentivize potential applicants to be employed by the school corporation. The availability of the New Teacher One-Time Stipend provides the district the ability to issue a one-time bonus to recruit highly qualified applicants.

D. Distribution

Newly hired teachers determined to be recipients of the New Teacher One-Time Stipend will receive 50% of the stipend on the first payroll in December and 50% of the stipend on the first payroll in May.

**4.1.3.2 Retirement One-Time Stipend**

A. Amount of Stipend = Teacher's base salary divided by 185 times two (2)

B. General Eligibility

Any teacher whose retirement is approved by the Board of School Trustees prior to March 1.

C. Basis for stipend

Shortage of highly qualified teachers places a strain on the school corporation to recruit highly qualified teachers to replace retiring teachers. Early notification of upcoming retirements provides the school district additional time to post, recruit, interview, and select highly qualified teachers for the following school year.

D. Distribution

Payment of the stipend will be distributed in the final payroll to the teacher.

**4.1.3.3 Non-Teacher Appreciation Grant Stipend**

A. Amount of Stipend

Equal amount distributed to teachers evaluated as effective and highly effective through the Teacher Appreciation Grant.

B. General Eligibility

Any member of the collective bargaining unit determined to not be eligible for the Teacher Appreciation Grant who was evaluated as effective or highly effective in the prior school year.

C. Basis for stipend

Not all members of the collective bargaining unit are eligible recipients of the Teacher Appreciation Grant. In order to provide an equal stipend opportunity to all members of the collective bargaining unit regardless of their determination as teacher under the scope of the Indiana Code outlining the Teacher Appreciation

Grant, the school corporation establishes an appreciation stipend for non-teachers identified as eligible within the collective bargaining unit.

D. Distribution

Payment of the stipend will coincide with stipends distributed as a part of the Teacher Appreciation Grant stipend.

**4.1.3.4 Limited or No Base Increase Stipend**

A. Amount of Stipend

Lesser of \$1,000.00 or \$1,000.00 minus an eligible teacher's base salary increase as determined in section 4.1.2.

B. General Eligibility

Any member of the collective bargaining unit receiving a base salary increase of less than \$1,000.00 as a result of section 4.1.2.

C. Basis for stipend

The exclusive representative and the Bluffton-Harrison Metropolitan School District mutually agree on the importance of providing a minimum total compensation (base salary and/or stipend) of \$1,000.00 to all eligible collective bargaining unit members.

D. Distribution

A stipend amount will be distributed equally on a per pay basis throughout the contract year.

**4.2 Compensation for Extended Contracts**

- 4.2.1** The positions with extended contracts will be compensated at the individual's daily rate (base salary divided by 185 contract days times number of additional days of service) for the purposes of an extended contract.

**4.3 Compensation for Attainment of Dual Credit Credentials**

- 4.3.1** As pre-approved by the superintendent, or designee, teachers shall be reimbursed for necessary coursework to complete an approved dual credit licensure program. Teachers must seek pre-approval from a building administrator and turn in receipts for reimbursement after the licensure is obtained.
- 4.3.2** As pre-approved by the superintendent, or designee, teachers shall be compensated for time spent to obtain dual credit licensure in a pre-approved program. Teachers must document time by date, time, and activity to provide evidence of time spent on coursework. Time will be compensated at a rate of \$25.00 per hour.

**4.3.3** A maximum of \$6,000 can be requested from either reimbursement or compensation.

#### **4.4 New Teacher Salary Levels**

**4.4.1** New employee compensation will be set by the Superintendent within the current contract year's teacher base salary range/salary schedule. The Superintendent, or designee, will evaluate the training and experience of all applicants for certified positions. Experience will be evaluated as to its value to the School Corporation and credit may or may not be allowed for any or all prior teaching experience. Training will be established by the official transcript furnished by the teacher to the School Corporation. The Superintendent, or designee, will evaluate the experience of the teacher and determine where the teacher will be placed on the salary range/salary schedule at the time of the initial hiring of the teacher. This determination will not be subject to review under the grievance procedure or otherwise. The teacher acknowledges that the initial determination as to the placement of the salary range/salary schedule shall continue to remain in place for all future years. The teacher acknowledges that there will be no future retroactive determination of actual experience for the purpose of advancing the teacher on the salary range/salary schedule.

#### **4.5 State Retirement Contributions**

The Board shall pay the required retirement contribution to the Indiana State Teachers Retirement Fund for each certified staff member.

#### **4.6 Ancillary Duties**

##### **4.6.1 Compensation**

**4.6.1.1** Teaching During Preparation Time - Teachers shall be paid additional compensation for instructional time completed during preparation time. The additional compensation shall be calculated by:

Base Salary ÷ Number of Contract Days x 0.1667 FTE x Number of Days of Preparation Time as Instructional Time (FTE - Full Time Equivalency)

**4.6.1.2** Homebound Instruction - Teachers shall be paid for homebound instruction at the individual's hourly rate calculated by:

Base Salary ÷ Number of Contract Days ÷ six (6)

**4.6.1.3** Summer Curriculum Development - As authorized by the administration, teachers shall be paid for summer curriculum development at a rate of \$30.00 per hour.

**4.6.1.4** Summer Meetings and Trainings - As authorized by the administration, required meetings or trainings that are deemed necessary and held outside the academic calendar shall be compensated at the rate of \$30.00 per hour.

#### **4.8 Supplemental Retirement Pay Benefits**

To be eligible for Retirement Pay Benefits, a teacher must meet the following qualifications:

- 4.8.1** A teacher must have reached the age of 55 at the time of retirement.
- 4.8.2** A teacher must have completed a minimum of ten (10) years of service in the Bluffton-Harrison Metropolitan School District. Years of service will be the same as defined by the State. Service in schools embraced through reorganization will count toward the minimum requirement. A maximum of thirty-five years of service may be counted toward Retirement Pay Benefits. Only ten (10) years of that total may have been accumulated in school corporations other than the Bluffton-Harrison Metropolitan School District.
- 4.8.3** A teacher must have initiated a request for retirement from the Indiana State Teachers' Retirement Fund.

#### **4.9 Total Retirement and/or Severance Benefits**

Total retirement benefits will be the sum of the following three (combination of 4.11.1 + 4.11.2 + 4.11.3) components:

#### **4.9.1 Length of Service**

**4.9.1.1** The teacher will receive one day's pay based on the current salary schedule for each year of creditable service as defined above.

**4.9.1.2** To determine a day's pay, the teacher's base annual contract amount for the year just completed will be divided by the number of days in his/her regular teaching contract.

#### **4.9.2 Unused Accumulative Sick Leave**

**4.9.2.1** The teacher will receive an additional amount of \$45.00 for each day of unused accumulative sick leave.

**4.9.2.2** A maximum of one hundred eighty (180) days of unused accumulative sick leave will be used in computing this benefit.

**4.9.3** Unused Personal Business Days - Effective with the personal days credited for the 1991-92 contract year, a separate accounting will be maintained for unused personal business days. At the time of retirement, additional severance will be paid at twice the amount allowed for unused accumulated sick leave (\$90).

**4.9.4** Retirement Insurance Benefit - In addition to the retirement benefits above, a certified employee who has ten years of uninterrupted service as an employee with the Bluffton-Harrison Metropolitan School District and retires between the ages of fifty-five (55) and Medicare eligible, the Board shall contribute \$15,000 to the eligible retiree's post employment health reimbursement arrangement account.

**4.9.5** 401 (a) Annuity Plan - The Board will establish and maintain a qualified 401(a) Annuity Plan (hereinafter referred to as the "401(a) Plan") for all certified employees covered under this collective bargaining agreement. The 401(a) Plan contributions will commence with the 2002-2003 contract year and continue each year thereafter. The maximum contribution that will be made to the 401(a) Plan by the Board will be 1.75% of the Teacher's Base Salary (which includes any supplemental pay in excess of salary outlined in section 4.3 for informational purposes). All eligible employees will be 100% vested in the 401(a) Plan at the completion of ten (10) years of service with the Bluffton-Harrison Metropolitan School District. All contributions made by the Board to the 401(a) Plan on behalf of certified employees will be counted against the new money available to fund teacher salary and benefit increases each year as part of contract negotiations for certified employees.

The 401(a) Plan replaces the current Total Retirement Pay Benefits (4.11.1 through 4.11.4). However, the Total Retirement Pay Benefits section so described in 4.11.1 through 4.11.4 will remain in effect until such time as a certified employee receives a greater return from the value of the 401(a) Plan than he or she would receive under the Total Retirement Pay Benefits section of the contract, except for employees described in the following paragraph. The value of the Board contributions and the appreciation, if any, of the 401(a) Plan will be counted as an offset to the amount that the certified employee would have received had he or she retired under the current Total Retirement Pay Benefits section. In the event, due to market fluctuations, a certified employee's 401(a) Plan account experiences a loss, the Board's responsibility during

the period prior to the expiration of the Total Retirement Pay Benefits Plan (4.11.1 through 4.11.4) will be the amount which the employee would have received under the Total Retirement Pay Benefits Plan less the amount previously contributed by the Board under the 401(a) Plan.

For the certified employees hired after July 1, 2001, the 401(a) Plan will replace the current Total Retirement Pay Benefits section. No provision of (4.11.1 through 4.11.4 will be available to employees hired after July 1, 2001. The severance and retirement for such certified employees will be limited to the balance in the account at the time of retirement, i.e., amounts contributed to the 401(a) Plan by the Board and interest or appreciation, if any. Employees hired after July 1, 2001, will be vested in the 401(a) Plan at the completion of ten (10) years of service with the Bluffton-Harrison Metropolitan School District.

The 401(a) Plan will:

Be subject to all applicable Internal Revenue Regulations.

Have no contract initiation fees charged to the employee.

Have no administrative Plan Document charge to the Board.

The 401(a) Plan will be valued effective the last contracted day of employment for the retiring employee.

In addition, for those certified employees for whom payments are yet scheduled to be made under 4.11.1 through 4.11.3, such payments will be made into health reimbursement arrangement account (excluding the applicable amount currently allowed by the Indiana State Board of Accounts which will be paid as salary and used in the respective teacher's final year ISTRF calculation) created at retirement in the name of the retiring employee. Such payment by the Board will be made in one (1) payment on or before January 15th following the year of retirement. If notification of retirement is provided to the superintendent on or before March 1st, such payment by the Board will be made in one (1) payment on or before July 15th of the year of retirement.

To avoid problems with the Indiana State Teacher's retirement fund, teachers are encouraged to notify the Superintendent's office of their retirement plans well before the end of the school year. This will also provide ample time to calculate Retirement Pay Benefits and to include those eligible benefits in a final paycheck. Plans to retire will be held in strict confidence if requested by any teacher. Any previous contract or agreement between the Bluffton-Harrison Metropolitan School District and the Bluffton-Harrison Teachers Association with respect to Retirement Pay Benefits will be considered null and void following the ratification of this agreement.

#### **4.10 Retirement Benefits for Identified Adams-Wells Special Services Personnel**

- 4.10.1** On June 30, 2012, the Adams-Wells Special Services Cooperative was dissolved and reorganized into the Adams-Wells Joint Services and Supply. Per the reorganization agreement, teachers who were hired by AWSSC prior to June 30, 2006, and employed by Bluffton-Harrison in the 2012-2013 school year are eligible for the retirement benefits as described in the 2011-2012 Adams-Wells Master Contract and therefore not eligible for the provisions associated with retirement benefits outline in Section 4.6. The retirement benefits to

these employees will be paid by Adams-Wells Joint Services and Supply through proportionate contributions from the schools corporations in Adams and Wells Counties. The eligible employees are listed below:

VESTED CERTIFIED STAFF				
NAME	EXP	AWSSC EXP	HIRE DATE	LOCATION
Eicher, Kristi	M-8	8	8/17/04	BHHS-Life Skills

#### 4.11 Tax Sheltered Annuities

The Board gives its consent for any teacher who qualifies to participate in a "Tax Sheltered Annuity Plan" of the insurance or investment company of his/her choice subject to the conditions of Section 4.13. The annuity premium deduction may not exceed the amount stipulated in the rules governing 403(b) tax sheltered annuities. The Board will withhold the premium from the teacher's paycheck and make payment to the designated company provided that a signed authorization is received 30 days prior to the effective date on which deductions are to begin in accordance with the corporation's 20-pay payroll schedule. No deductions will be made during the summer. If incorrect information is supplied on the salary reduction agreement, delays in processing the annuity can be expected. The signed authorization will continue in effect until the Board is notified in writing that the deductions are to be discontinued. The Board reserves the right to limit the number of annuity plan providers after discussion with the Association; however, the Board and Association will jointly participate in the selection of annuity providers, and will review the list annually. If the existing list is changed, current participant's providers will be grand fathered into the revised list.

#### 4.12 Health Insurance

The Bluffton-Harrison Metropolitan School District is a member of the School Employees' Benefit Trust, which each year negotiates with various insurance companies for a comprehensive health insurance plan. The health plan options selected each year by the School Employees' Benefit Trust shall be made available to the teachers of the Bluffton-Harrison Metropolitan School District.

Full-time teachers may elect to participate in a single plan or a family plan. The Board contributions will only be paid for school-sponsored group health insurance and will never exceed the total individual premium, less \$1.

Board contributions for group health insurance plans will be as follows:

Plan	Effective Jan 1, 2023	Effective Jan 1, 2024
PPO Single	\$7,784	\$7,784
PPO Family	\$15,816	\$15,816
CDHP 1 Single	\$5,901	\$5,901
CDHP 1 Family	\$11,966	\$11,966
CDHP 2 Single	\$5,167	\$5,167

CDHP 2 Family	\$10,483	\$10,483
---------------	----------	----------

Teachers whose initial employment began during the 1985-86 school year or thereafter and who are employed for a fractional part of a contract (less than full time) will receive the same fractional payment toward the insurance plan they select. Board premium payments, whether for full-time or fractional time employees, apply only to the school-sponsored health insurance program. No portion of a premium payment will be made for teachers who have another individual insurance plan. The period of coverage begins on January 1 each year and extends through December 31 of the same year. The portion of the premium paid by the corporation ceases when a teacher terminates his/her contract prior to the normal termination date.

If a teacher who is eligible and participates in the group health insurance program retires before the age of Medicare eligibility, but after the age of 55, he/she may pay the full premium and continue on the program until he/she reaches the age of Medicare eligibility.

Changes in the prime carrier and the coverages included may be made by official action of the School Employees Insurance Trust.

#### **4.13 Long Term Disability Insurance**

A long term disability insurance plan will be provided to teachers with an elimination period of 90 days. The Board will pay an annual amount equal to 0.245% times each teacher's base salary as illustrated in Article 4. This amount will be paid only for group long term disability insurance carried by the school corporation and will not exceed the total individual premium, minus \$1.

#### **4.14 Life Insurance**

A term group life insurance with accidental death and dismemberment benefits shall be offered to each teacher in the amount of \$40,000. The Board shall pay the premium excluding a required teacher contribution of \$1. This amount will be paid only for the school-sponsored program, not other individual life policies.

#### **4.15 Separation of Service**

Any teacher who completes his/her contractual obligations and is an employee in good standing at the end of the school year and is not returning to employment with Bluffton-Harrison MSD for the following school year shall retain full insurance coverage as provided in this Master Contract, with the school corporation paying for said insurance coverage, as outlined in section 4.14 of this Master Contract, through the completion of the 26 pay cycles of the current contract period or until the time the Teacher becomes eligible for coverage, whichever occurs first. Teachers retiring from Bluffton-Harrison MSD retain benefits as outlined in section 4.14 of this Master Contract. The Teacher separating service with Bluffton-Harrison MSD is responsible for notifying Bluffton-Harrison MSD central office personnel of coverage eligibility.

#### **4.16 Expanded Criminal History Check**

The Bluffton-Harrison Metropolitan School District will conduct an expanded criminal history check on each employee once every five years (5) years. The Superintendent will be responsible for determining the schedule

for conducting the expanded criminal history checks on school employees. The cost of an expanded criminal history check will be the responsibility of the Board. The school district may also conduct an expanded child protection index check on each employee every five (5) years. The Board will be responsible for the costs of obtaining the expanded child protection index check on all employees.

#### **4.17 CPR/AED Training**

The Bluffton-Harrison Metropolitan School District will offer CPR/AED training to all employees annually. The Superintendent will be responsible for determining the schedule for offering training to school employees. The cost of CPR/AED training held at Bluffton-Harrison Metropolitan School District will be the responsibility of the Board. The school district may prioritize attendees based upon legislative requirements and expiration dates of BHMSD teacher licenses and CPR/AED certification.

## **ARTICLE 5 – TERMS OF CONTRACT**

### **5.1 Duration**

This Contract shall be effective as of October 23, 2023, through June 30, 2024.

### **5.2 Prior Contract(s) and Agreements**

Upon ratification of this Contract by the Association and the Board, any previous Contract(s) or Agreements between the Board of School Trustees of the Bluffton-Harrison Metropolitan School District and the Bluffton-Harrison Teachers Association shall be declared null and void.

If any article or section of this Contract shall be held invalid by operation of law or by any tribunal of competent jurisdiction, the remainder of this contract shall not be affected.
