REQUEST FOR QUALIFICATIONS:
DESIGN BUILD SERVICES**

PROPOSAL INSTRUCTIONS

INTRODUCTION

Pursuant to Texas Government Code 2269 – Subchapter G, this Request for Qualifications (RFQ) is intended to solicit qualifications from design-build firms/teams (Respondents) with capabilities to develop a design-build program for **Marlin ISD** (“Owner”). For the purpose of this RFQ, “Respondent” refers to any entity or team that is qualified to provide all of the services as listed in this request. It is the intent of the Owner to select the most qualified Respondent(s) to partner with to provide district wide design-build services. Owner intends to complete, at a minimum, the preliminary scope of work outlined in **Appendix A**. The listed components and amenities should not be considered a comprehensive list of all intended work and should be only used for a preliminary description of the project.

SERVICES REQUESTED

Owner requests the turnkey services of a design-build firm (Respondent) with the capability to complete the following scope of work:

- a. Analysis and assessment of Owner’s facilities to determine deficiencies and needs
- b. Development of project proposal(s) for Owner’s consideration
- c. Design and Engineering of approved projects
- d. Installation / implementation of the approved projects
- e. Commissioning of the installed systems
- f. Create a timeline of completion

PROJECT BUDGET

The Owner has an estimated budget of \$5,000,000 for the preliminary scope of work outlined in Appendix A.

TIMELINE: 15 Months

PAYMENT & PERFORMANCE BONDS

A district that makes a public work contract with a prime contractor shall require the contractor, before beginning the work, to execute to the district:

- A performance bond if the contract is in excess of \$100,000; and
- A payment bond if the contract is in excess of \$25,000.

SCOPE OF WORK DESIGN CRITERIA PACKAGE

A. Permitting, Reviews and Approvals

- a. Review and/or present design concepts to all governmental authorities having jurisdiction over the Project and any other regulatory agencies whose approval is necessary for the development of the site.
- b. Submit plans and applications to regulatory agencies
- c. Secure approvals from all other local and state agencies as required for the site development.
- d. Coordinate the construction or relocation of privately owned utilities if necessary.
- e. Attend meetings as necessary for all approvals. Provide responses and modifications to regulatory comments

B. Construction Documents

- a. Satisfactorily resolve all review comments from prior design phases and prepare and finalize all construction drawings and specifications to minimally include: building systems, site utilities and components that will form the basis for the project's Construction Documents sufficiently complete to support the prepared budget, obtain necessary permits and construct the project.
- b. Prepare a construction document's level cost estimate and updated project schedule; reconcile cost estimate with construction estimate.
- c. Incorporate bid alternates as necessitated by the project budget.
- d. Conduct a final school board meeting to present the final design.

C. Construction Administration

- a. Provide construction administration and observation associated with the work and in coordination with the District's Representative.
- b. Provide interpretations of prepared drawings and specifications, shop drawing review and approval.

D. Construction

Respondent's scope of construction shall include but not be limited to the following, as may be applicable:

1. Evaluation of subcontractors (subcontractors shall be approved in advance by Owner)
2. Mobilization and demobilization.
3. Clearing and rough grading with excess dirt and material removed from the site. Tree protection and erosion control measures to be immediately put into place.
4. Site excavation (all reasonable effort to determine any underground interference is the responsibility of the supplier), compacted backfill, haul off of excess material
5. Bending and setting rebar and anchor bolts.
6. Placement of concrete. Note: Concrete Testing Lab

8. Placement of electrical components including conduit, cables, terminals,

- etc.
- 9. Site utilities including domestic water, and electrical service and site lighting.
- 10. Testing of systems.
- 11. Site cleanup.

E. Post Construction Phase/Deliverables

- a. Prepare as-built documents based on information received from the contractor in AutoCAD or BIM format or in such other format as the District requires.
- b. Assist in project closeout and establishment of warranties and guarantees.
- c. Present to required departments/agencies for review; responsible for all State, County, and City permit applications and approvals.

F. Pre-Construction Project Development Planning

The Design-Builder, as a part of its design and its preconstruction services, will assist with developing a strategy for the best approach for the successful completion of the project including guidance and assistance in the preparation of a schedule and a reliable, preliminary cost estimate along with evaluations of any value engineering measures. At an appropriate point during the project development and prior to contracting, the District will ask the Design-Builder to commit to a **Guaranteed Maximum Price (GMP)** for all its design and construction services.

G. Safety

a. Safety Coordinator

Respondents shall provide a safety coordinator on site for the duration of the Project. The coordinator will ensure that all construction activity adheres to the Owner approved safety & construction plan.

b. Safety Plan

Respondents are required to prepare a safety plan, and method statement, and operate the safety plan as the work progresses and it shall be approved by the Owner.

c. Minimum Safety Requirement to Be Included in the Safety Plan

The work site is to be cordoned off using a system such as Block N Mesh or equal. Minimum required personal protective equipment (PPE) shall include hard hat, safety glasses with side shields, full length work pants, steel toed safety shoes. OSHA approved fall protection when working above six (6) feet above grade.

- a. Organizational chart that clearly describes your Design-Build

- project organization with supervisory reporting.
- b. A list of key personnel and their responsibilities for the duration of the project contract terms should be listed. Include in this list the number of years everyone has been in the industry and what state they are based out of. Resumes should be provided in the Appendix. In the resumes, indicate the education and professional licensing of each person as it relates to this project. Also, include a list of previous projects in which each team member has played a significant role.

9. Criteria 4: Program and Project Methodology- 25 points

Describe your firm’s methodology of developing and implementing comprehensive design build, and deferred maintenance programs and projects for Owners. Address in detail the following key components, if provided by your firm or team, and how you would approach each one:

- a. Facility Surveys
- b. Project development
- c. Engineering and design
- d. Construction and project management
- e. Renovation development
- f. Commissioning
- g. Training
- h. Safety and quality program

11. Criteria 5: References - 15 Points

Discuss your project team’s experience with implementing design build projects. List all relevant references, including the following specific information for at least 10 projects.

- Project cost
- Services provided
- Pictures of projects
- Delivery time frame
- Client contact information

PROCUREMENT PROCESS

1. **RFQ Decision:** The Request for Qualifications (RFQ) process is a one step process aimed at identifying one qualified respondent. During the RFQ evaluation, the district will evaluate each respondent's experience, technical competence, and capability to perform, the past performance of the firm and members of the firm, and other appropriate factors submitted by firm in response to the request for qualifications, except that cost-related or price-related evaluation factors are not permitted.
2. **Negotiate Project Development Agreement:** district shall select the design-build firm that submits the proposal offering the best value for the district based on the published selection criteria and on its ranking evaluations and enter into negotiations. It is anticipated that negotiations would encompass all phases of work, including but not limited to: engineering fees, preconstruction services, labor rates, contingency/risk, bonds, and markups for overhead and profit on subcontractors, as well as any other items the Owner feels are appropriate. If the owner is unable to negotiate a contract with the selected firm, the Owner shall formally and in writing, end all negotiations with that firm and proceed to negotiate with the next firm in the order of the selection ranking until a contract is reached or negotiations with all ranked firms end.
3. **Project Development:** The selected Respondent will develop the project proposal(s) based on the preliminary scope outlined in Appendix A. Owner expects the Respondent to complete the project development on a contingent basis (i.e. not bill for the development until completed and the implementation is funded) and roll the agreed upon cost of the development into the implementation cost. The owner reserves the right to pay for the development separately. At the conclusion of Project Development, Respondent will provide the Owner with a price for the agreed upon scope of work.
4. **Project Implementation:** After finalizing work scope and price, the Respondent will provide turnkey engineering design and construction management services.
5. **Point of Contact:** The Owner designates the following person as its representative and Point-of-Contact for this RFQ. Respondents shall restrict all contact with the Owner and direct all questions regarding this RFQ to the Point- of-Contact person:

Jesse Bustamante
Executive Director of Human Resources
254-252-0983
6. **Evaluation of Qualifications:** The evaluation of the Qualifications shall be based on the requirements described in this RFQ. All properly submitted Qualifications will be reviewed, evaluated, and ranked.

Appendix A:

- A. **Location** -1400 Capps St, Marlin, TX 76661
- B. Turnkey New Competition Gym to include but not limited to:
 - 1. Site work
 - 2. Building construction
 - 3. Interior finishes
 - 4. 700 - 1,000 capacity building

**CRIMINAL BACKGROUND CHECK
AND
FELONY CONVICTION NOTIFICATION**

(a) CRIMINAL BACKGROUND CHECK

Proposer will obtain history record information that relates to an employee, applicant for employment, or agent of the Proposer if the employee, applicant, or agent has or will have continuing duties related to the contracted services and the duties are or will be performed on school property or at another location where students are regularly present. The Proposer certifies to MISD before beginning work and at no less than an annual basis thereafter that criminal history record information has been obtained. Proposer shall assume all expenses associated with the background checks and shall immediately remove any employee or agent who was convicted of a felony or misdemeanor involving moral turpitude, as defined by Texas law, from MISD's property or other location where students are regularly present. MISD shall be the final decider of what constitutes a "location where students are regularly present." Proposer's violation of this section shall constitute a substantial failure.

If the Proposer is the person or owner or operator of the business entity, that individual may not self-certify regarding the criminal history record information and its review and must submit original evidence acceptable to the District with this Agreement showing compliance.

(b) FELONY CONVICTION NOTIFICATION

Education Code, Section 44.034, Notification of Criminal History, Subsection (a), states, "a person or business entity that enters into a contract with a school district must give advance notice to the District if the person or owner or operator of the business entity has been convicted of a felony." The notice must include a general description of the conduct resulting in the conviction of a felony.

Subsection (b) states, "a school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction." The district must compensate the person or business entity for services performed before the termination of the contract.

THE FELONY CONVICTION NOTICE IS NOT REQUIRED OF A PUBLICLY-HELD CORPORATION.
