To achieve this mission, the district and its schools will implement strategies and track outcomes in four areas: Student Safety and Well-being, Strong Start in Early Learning, Academic Achievement for All, and Supporting Post-High School Success.

### State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2027. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
